End to End the Pages Excellence

At AVG Logistics, we don't just provide logistics solutions, we deliver excellence. Since our inception, our mission has been to evolve into a dedicated and robust supply chain solution provider in India. Our journey has been defined by continuous improvement, a relentless focus on customer-centricity, and a dedication to staying at the forefront of industry technology.

Our extensive pan-India distribution network empowers us to deliver complete end-to-end solutions to our valued customers. Furthermore, our commitment towards placing customers at the centre of everything we do has been pivotal to our success. We customise solutions to precisely match our clients' unique needs, solidifying our position as a prominent player in the logistics industry. Our excellence shines through in our comprehensive suite of services, covering road logistics, railways, warehousing, and an array of value-added options, ensuring a holistic experience for our customers.

Over the years, we have grown and honed our expertise in the industry. Moving ahead, our aim is to scale to newer heights by investing in cutting-edge technology, establishing large-scale warehouses, and adopting advanced transportation solutions. Our dedicated approach is geared towards establishing ourselves as a leading and comprehensive logistics service provider in the industry.

About AVG Logistics

AVG Logistics Limited ('AVG Logistics' or 'The Company') is a leading multi-modal logistics solutions provider based in India. Founded in 2010, the Company has rapidly grown to become a trusted partner for businesses across India and abroad. With a team of dedicated logistics experts and a modern fleet, AVG Logistics provides customised and technology-driven solutions across transportation, warehousing, distribution, and supply chain management. Furthermore, the Company also offers Third-Party Logistics Services (3PL), effectively complementing its wide range of logistics solutions.

As AVG Logistics enters its second decade, the Company is positioned for further growth and expansion. It aims to leverage its strong reputation, nationwide presence, and commitment to customer service to continue adding value for its customers. AVG Logistics remains focussed on strategic investments, operational excellence, and sustainability as it solidifies its position as a premier end-to-end logistics partner. The Company's digital-first approach and proven capability to deliver makes it a reliable choice for businesses seeking efficient, cost-effective logistics solutions.

Letter from

The Managing Director and CEO

We have built a reputation for responsive customer service, cost efficiency and sustainable growth. I am confident we will continue on this upward journey in the years to come.

Dear Valued Stakeholders,

I am pleased to report that this year has been tremendous in terms of growth and innovation for our Company. As India's leading multi-modal logistics provider, we continue leveraging our unique model to enable efficient door-to-door delivery for businesses nationwide. A core strength that sets us apart is our pioneering leadership in rail cargo services. Through our strategic partnerships with national rail networks, we have introduced express freight trains on all major logistics routes to significantly shorten transit times. This year, we expanded our Rail Cum Road services to new industries, including e-commerce, automotive and pharmaceuticals.

We are diversifying our portfolio beyond road transport in line with and India growth story market trends. Our multi-modal offerings now span rail, road and cold chain logistics solutions. We also increased our network of large-scale warehouses to boost storage and distribution capabilities. Technology remains an important enabler. We are investing in automation and digitisation to enhance productivity, ensure shipment visibility and deliver seamless last-mile connectivity.

In FY 2023, our Company experienced a substantial financial turnaround, delivering a top line performance similar to FY 2022. Our EBITDA increased from INR 41.38 Crs in FY 2022 to INR 78.22 Crs in FY 2023. Our PAT rebounded to INR 8.33 Crs in FY 2023 from INR 0.94 Crs during FY 2022 through disciplined cost management and operational optimisation. We significantly improved profitability across key indicators compared to FY 2022. We are well-positioned to sustain this growth momentum.

As we look ahead, we are strategically positioned to capitalise on India's growing logistics sector. With the Government underscoring the importance of rail freight, our pioneering leadership in this segment will be a key competitive advantage. I want to thank our employees, partners and shareholders for their continued support. We have built a reputation for responsive customer service, cost efficiency and sustainable growth. I am confident we will continue on this upward Journey in the years to come.

Warm regards,

Sanjay Gupta

Road Logistics

Market Leader in Integrated Solutions

AVG Logistics operates a large fleet of trucks ranging from less than 12 tonnes to 40 tonnes to provide a variety of logistics services. The Company uses smaller trucks under 12 tonnes for last-mile deliveries to clients. The fleet utilises tech-enabled systems like GPRS for real-time monitoring from a central command centre. AVG Logistics also offers customised dedicated vehicles to meet specific client needs. The diverse truck fleet and technology enable AVG Logistics to provide comprehensive road logistics solutions.

246

Reefers

Cold Chain Division

The Company has recently solidified a partnership with Hindustan Unilever Limited (HUL) for the transportation of the renowned Kwality Walls ice cream brand. This expansion includes an impressive fleet of over 240 high-quality premium reefer vehicles, meticulously designed to maintain precise temperatures ranging from -25° to +25° Celsius.

This strategic move fortifies AVG Logistics' position as a leading provider of top-tier cold chain solutions, offering end-to-end services from first to last mile delivery. The enhanced capabilities empower the Company to serve

a diverse spectrum of industries, spanning from the frozen goods sector, including ice cream and dairy products, to the dynamic quick-service restaurant (QSR) and fresh fruits and vegetables segments.

The Company has engineered a 45-ft temperature-controlled vehicle boasting a payload capacity of 22 tonnes. This innovation marks a significant step towards cost optimisation and environmentally sustainable transportation for AVG Logistics' valued customers. The vehicle is equipped with cutting-edge insulation, stringent safety features, and predictive alert systems.

Services Offered

Rail Logistics: A Sustainable Logistics Medium

AVG Logistics is steadily expanding its sustainable rail logistics capabilities, now operating 6 key routes across India. This allows the Company to offer cost-optimised transportation with a lower carbon footprint versus the road. The Company is a market leader in providing different rail cargo services to its customers, such as full rack and piecemeal transportation, container movement and terminal management across all concor Inland Container Depots (ICDs). The Company has long-term contracts worth over INR 510 Crs with the Indian Railways, cementing its leadership in integrated rail solutions.

Warehousing

To Add Meritoriously to the Supply Chain

AVG Logistics operates an extensive network of warehouses across multiple states in India. The Company provides several types of warehousing services, such as industrial and retail warehousing, liquid storage, cold storage, agri-warehousing, and container storage services on a short-, medium- and long-term basis to clients. The Company's customised approach aligns its warehousing closely with its clients' distribution and logistics requirements. Whether it is location, size, temperature control or value-added services, the Company's warehouses aim to meet customer needs optimally. As its clients' businesses evolve, the Company evolves its warehousing capabilities in sync. This integration enables AVG Logistics to manage its clients' end-to-end supply chain efficiently.

Value-Added Services: To Meet Customer Requirements

The Company's comprehensive portfolio of value-added services allows it to manage complex, end-to-end supply chain requirements of its customers. By integrating transport, warehousing, tracking, and other logistics processes, the Company aims to enhance efficiency, reduce costs, and simplify the supply chain for its clients. The Company's expertise in value-added services creates a smoother, more seamless logistics experience.

OPERATIONS AND STATE OF AFFAIRS OF THE COMPANY

Your Company focus is to provide timely and satisfactory service to its clients, resulting thereby expanding successfully its business across the country.

Your Board of Directors are delighted to inform you that with a view to give meaning to its expansion plan, the Company has been making constant efforts for developing requisite infrastructure as well as utilising advance means of technology for exercising better and effective control on its operation as well as movements of its fleet. Revenue of

the Company for the financial year 2022-23 stands at INR 42710.82 Lakhs in comparison to INR 43,207.67 Lakhs in FY 2022 and the Profit before tax for the year Increased to INR 1,117.99 Lakhs during the year as compared to INR 846.46 Lakhs in financial year 2021-22.

Your Company intensified its efforts in the area of service specification and market penetration as a result of which your Company continued to expand its presence for logistics and warehousing services. The performance of the Company during the financial year 2022-23 validated the initiatives undertaken by AVG's Management towards betterment.

Directors' Report (Contd.)

CONSOLIDATED FINANCIAL STATEMENTS

Pursuant to Section 129(3) of the Companies Act, 2013, the Consolidated Financial Statements of the Company prepared in accordance with Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and Indian Accounting Standard 110 on Consolidated Financial Statements are provided in the Annual Report.

DIVIDEND

Your Directors recommended a final dividend of Re. 1/- per equity share on the Company's 1,17,75,271 equity shares for the financial year 2022-23 in its meeting held on June 03, 2023. The dividend payment is subject to approval of members at the ensuing Annual General Meeting. The dividend pay-out is in accordance with the Dividend Distribution Policy of the Company.

The Dividend Distribution Policy of the Company can be accessed at http://www.avglogistics.com/upload/document/document_231732122.pdf

OUTLOOK AND EXPANSION

Your Company's outlook remains favourable on account of continuous processes strengthening, growing brand popularity, customer shift from un-organised to organised market coupled with support from customers, employees, shareholders, creditors, dealers and lenders and other stakeholders. The Company's vision is to broad-base its services portfolio towards a one-stop solution and position itself as an integrated surface and logistics solution provider. The Company's pan-India network ensures an easy availability of services in almost every part of India. The Company enjoys a presence all over India. During the year Company has acquired the PTL (Part Truck Load) business of PCG Logistics Private Limited.

STATE OF THE AFFAIRS OF THE COMPANY

a. Segment-wise position of business and its operations

The Company's business activity falls primarily into one segment only i.e. Logistics solutions. The Company operates mainly in Transportation, warehousing business and other value added services. Hence, it has only one reportable segment and separate disclosures are not required.

b. Change in status of the company

During the Year under review there was no Change in the Status of the Company.

c. Change in the financial year

During the Financial Year 2022-2023 under review, the Company has followed uniform financial year from April 01, of every year to March 31, .

d. Capital expenditure

During the Year under review, your Company entailed a capital expenditure of INR 1,157.36 Lakhs in Tangible assets.

TRANSFER TO GENERAL RESERVE

The Board of Directors at their meeting held on June 03, 2023 proposed to transfer INR 786.66 Lakh to the General Reserve.

DIRECTORS AND KEY MANAGERIAL PERSONNEL

The Company has a professional Board with an optimum combination of executive and non- executive Directors who bring to the table the right mix of knowledge, skills and expertise. The Board provides strategic guidance and direction to the Company in achieving its business objectives and protecting the interest of stakeholders.

Management Discussion and Analysis

ANNEXURE-V

GLOBAL ECONOMY

According to the International Monetary Fund (IMF), although the global economy is projected to experience a slight contraction from 3.5% in CY 2022 to 3.0% in CY 2023, the overall outlook remains optimistic as it continues its journey towards stabilisation. However, advanced economies are projected to encounter a notable slowdown in growth, declining from 2.7% in CY 2022 to 1.5% in CY 2023, primarily due to the anticipated restrictive monetary policies worldwide and negative cross-border spillovers. Conversely, emerging markets and developing economies are expected to fare relatively well in CY 2023, registering real GDP growth of 4.0% both in CY 2022 and CY 2023. This display of resilience sets the stage for further growth, as emerging markets are anticipated to expand by 4.1% in CY 2024.

(Source: World Economic Outlook: July 2023)

INDIAN ECONOMY

In FY 2023, the Indian economy exhibited resilience in the face of global challenges, achieving an impressive growth rate of 7.2%. This growth was driven by several factors, including a favourable business environment, robust industrial production, increased consumer spending, improved GST collections, and the vision of a self-reliant India ('Aatmanirbhar Bharat'). S&P Global predicts that the size of the Indian economy will increase to USD 6.7 Tn from USD 3.4 Tn in FY 2023, potentially leading to a per capita GDP of approximately USD 4,500. The manufacturing sector is expected to benefit from the global shift

towards supply chain diversification, with the Government offering incentives to manufacturers and improving infrastructure. Developing a robust logistics framework will play a pivotal role in India's transformation from a service-oriented economy to one with a stronger emphasis on manufacturing.

(Source: S&P Global, Press Information Bureau)

INDUSTRY OVERVIEW

The warehousing, industrial, and logistics (WIL) sectors are expected to play a pivotal role in India's aim of emerging as a USD 5.5 Tn economy by FY 2028. The growth of this industry is anticipated to benefit from a strong economy, Government initiatives to enhance infrastructure, and a favourable business environment.

Furthermore, the industry is witnessing a significant transformation driven by advanced technology solutions. Real-time visibility, predictive analytics, and other advanced capabilities are being increasingly deployed to manage supply chains and meet the demands of customers. This tech-driven approach is adding impetus to the sector's growth. Moreover, the rising adoption of green logistics solutions aligns with the global shift towards sustainability. Additionally, the growing number of trade-related agreements is opening up new avenues for the industry. These agreements facilitate smoother trade flows and enhance the logistics sector's importance in supporting international trade.

The rise in consumerism and a large consumer base is driving the expansion of retail and e-commerce in India. To strengthen the sector's infrastructure, the Government of India has undertaken various measures, including developing dedicated freight corridors and extending road and rail networks to enhance connectivity and reduce transit times. Additionally, the sector is undergoing a digital transformation with initiatives like Digital India, Bharat Net, and the National Logistics Portal.

(Source: IBEF)

BUSINESS OVERVIEW

At AVG Logistics (referred to as 'We' or 'Our Company'), we offer an extensive range of logistics solutions, including road transportation services, warehousing facilities, rail logistics, coastal shipping services, and other value-added solutions. Over the past decade, our Company has established an integrated logistics infrastructure, providing both Full Truck Load (FTL) and Less than Truck Load (LTL) solutions to our clients. We operate numerous dedicated routes, ensuring efficient transportation solutions for distribution across

Management Discussion and Analysis (Contd.)

India, from manufacturers to distribution hubs. With 80+ branches pan-India, we serve various reputed clientele spread across sectors like FMCG, automotive parts and equipment, pharmaceuticals and consumer durables.

ROAD LOGISTICS

We are a leading provider of integrated road cargo solutions with a nationwide network, offering multi-modal transport services across India. Our fleet includes over 2000 vehicles, comprising both owned and hired dry/reefer vehicles. These vehicles are equipped with GPRS systems for cargo and driver safety, and our central command centre monitors them round the clock, ensuring efficient operations.

RAIL LOGISTICS

We provide our customers with a range of rail logistics services, including full rack and partial transportation, container movement and terminal management at all CONCOR Inland Container Depots (ICDs). Currently, the Company operates six rail routes, with a total contract value of INR 5,100 Mn and a revenue potential of INR 6,500 Mn. Our primary focus is on optimising efficiency by improving rail cargo operations, thereby reducing emissions, conserving energy, and saving time.

WAREHOUSING

We offer various types of warehousing services, including industrial and retail warehousing, liquid storage, cold storage, agri-warehousing, and container storage services, to clients on a short-, medium- and long-term basis.

With 7 fully operational warehouses across 6 states, our warehousing solutions cater to the distinct needs of our diverse clientele. With a dedicated team of professional experts and cutting-edge technology, we position ourselves as a trusted partner for clients seeking efficient and reliable warehousing solutions.

VALUE-ADDED SERVICES

We offer a range of extra services to complement our core offerings. These services include custom clearing, port logistics, and equipment rental like forklifts and containers. Our coastal logistics services encompass a wide range of options to suit our clients' needs, including port-to-port, door-to-port, port-to-door, and door-to-door services. We also provide warehouse management services to help efficient handling of inventory. These value-added services enhance our ability to meet the logistics needs of our clients effectively and professionally.

INTERNAL CONTROLS

We have implemented robust internal control policies and procedures that align with the size, extent, and intricacy of our operations. In order to ensure the effectiveness of internal controls spanning business processes and systems, we have established a robust framework. This framework is meticulously crafted to deliver dependable, high-quality assurance business and operational performance. Regular assessments are conducted to gauge the sufficiency and efficiency of these controls, ensuring adherence to relevant laws and protecting our assets.

RISK MANAGEMENT

Risk management plays an integral role in the business operations at AVG Logistics. Over the years, we have identified key risks that could impact our ability to deliver value to stakeholders. Our focus lies in the early detection of potential risks and their management through suitable mitigation methods. The table below highlights some of the key risks we have identified:

Management Discussion and Analysis (Contd.)

Key Risks	Mitigation Strategy
Global Economic Slowdown Risk Slowdown in the global and Indian economy has the potential to affect the growth trajectory within our sector negatively.	Despite persistent challenges, the global economy is expected to sustain a moderate growth trajectory, while the Indian economy is poised to emerge as one of the fastest-growing economies. According to IMF, India is forecasted to register a real GDP growth rate of 6.1% in FY2024.
Concentration Risk We derive a significant proportion of our revenues from marquee clientele. This exposes us to a high risk of client concentration.	We continue to take steps to create a larger base of customers. In addition, we are leveraging technology and innovation to achieve cost efficiencies for customers, which results in long-term relationships with them.
Competition Risk We operate in a competitive industry with various players, including unorganised ones. Rising competition from both organised and unorganised third-party logistics or transport providers may adversely impact our revenue, profit margin and market share.	To mitigate this, we create value through integrated technology-based solutions, transport network-based solutions, and skill development of employees.
Infrastructure Risk Infrastructure inadequacies can lead to supply delays, reputational damage, and impact profitability.	This risk is managed by leveraging the improved national transportation infrastructure under the Government's ongoing National Infrastructure Pipeline (NIP) programme. Additionally, we prioritise the construction of state-of-the-art warehouses and storage facilities at strategic nodal locations.
People Risk The people risk we face includes staffing shortages, loss of essential employees, negative publicity, and potential disruptions in our operations.	We employ innovative staff retention strategies like health insurance policies and frequent recognition programmes to manage these risks.

TECHNOLOGY

At AVG Logistics, we have strategically integrated Information Technology (IT) into the core of our business model. This integration enables us to improve our operations, enhance customer service, and strengthen our competitive position. Our technological initiatives centre on harnessing emerging technologies like the Internet of Things (IoT) to boost efficiency across our business areas. Furthermore, technology enables us to closely monitor operational processes, ultimately leading to higher client satisfaction and enduring relationships with stakeholders throughout the value chain.

HUMAN RESOURCE

We have successfully included 407 employees in our workforce. Despite the macroeconomic challenges experienced, our employees have been a pillar of support, enabling us to navigate through the turbulent environment and emerge stronger. Furthermore, we have a robust

framework to prevent discrimination and harassment, extending our human rights protection to all employees and business associates. We uphold a zero-tolerance policy for harassment and offer multiple channels for employees to report concerns.

CAUTIONARY STATEMENT

Statements in this Management Discussion and Analysis and the Annual Report describing our objectives, projections, estimates, expectations, plans or predictions and industry conditions or events are 'forward-looking statements' within the meaning of applicable securities, laws, and regulations. Actual results, performance or achievements could differ materially from those expressed or implied. Several factors could make a significant difference to our operations. These include economic conditions affecting demand and supply, Government regulations and taxation, natural calamities and so on, over which we do not exercise any direct control.

A. PARTICULARS OF EMPLOYEES FOR THE YEAR ENDED MARCH 31, 2023 AS REQUIRED UNDER SECTION 197(12) OF THE COMPANIES ACT, 2013 READ WITH RULE 5 OF THE COMPANIES (APPOINTMENT & REMUNERATION OF MANAGERIAL PERSONNEL) RULES, 2014

FINANCIAL STATEMENTS

Standalone Financial Statements

Consolidated Financial Statements

Independent Auditor's Report

To the Members of AVG Logistics Limited

Report on the Audit of the Standalone Financial Statements

OPINION

We have audited the accompanying standalone financial statements of AVG Logistics Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (Including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in

our audit of the standalone financial statements for the year ended March 31, 2023 (current year). These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No	Key Audit Matter	How the Key Audit Matter was addressed in our audit
1	<p>Revenue Recognition</p> <p>Revenue from these contracts is recognized in accordance with the requirements of Ind AS 115, Revenue from Contracts with Customers (as described in note 2.4 of the standalone financial statements).</p> <p>The Company has long term contracts with customers, as at the year end, for all incomplete sales orders, revenue is recognized by evaluating the conditions required as per contractual terms i.e., provision of service to customer and acknowledgement of invoice. Further, revenue is recognised for the completed performance obligation which are part of the incomplete sales orders.</p>	<p>Our audit procedures in respect of this area include but are not limited to:</p> <ol style="list-style-type: none"> 1. Obtained an understanding of the systems, processes and controls implemented by management for recording and computing revenue, and the associated unbilled revenue, unearned and deferred revenue balances; 2. Assessed the appropriateness of Company's accounting policies with respect to Revenue recognition in accordance with IND AS 115 "Revenue from Contracts with Customers"; 3. Verified accuracy of the revenue recognition by selecting samples on test check basis and checking the underlying contract terms and conditions;

Independent Auditor's Report (Contd.)

Sr. No	Key Audit Matter	How the Key Audit Matter was addressed in our audit
	<p>The criteria for identification of the specific performance obligations covered by the sales order and the allocation of the transaction price to each performance obligation requires specific attention due to the judgement involved in identifying the specific performance obligation and determination of whether the agreed provision of services to customer are completed in regard to each of these obligations, as acknowledged by the customers. There is also estimation uncertainty in assessing the incomplete sales orders at the year end and identifying the completed portions of the performance obligations from these sales orders.</p> <p>Considering this we have determined Revenue Recognition to be a Key Audit Matter.</p>	<p>4. For samples selected on test check basis, evaluated, as to whether performance obligation for revenue recognition is completed as and when the service is rendered to the customer and acknowledged. Further, performed verification of proof of delivery of services completed;</p> <p>5. Verification of the ageing of the unbilled revenue and testing for the subsequent acknowledgement from the customers; and</p> <p>6. Verified the completeness and adequacy of disclosure in the standalone financial statements in compliance with Ind AS 115.</p>
2	<p>Allowance for trade receivables</p> <p>Refer to note 15 to the standalone financial statements with respect to the disclosures of trade receivables.</p> <p>The Company has trade receivables as at March 31, 2023 amounting to Rs. 13,938.03 lakhs against which the Company has recorded allowance for trade receivables of Rs. 1,624.80 lakhs (PY Rs. 1,427.38 lakhs).</p> <p>Management creates allowance for trade receivables based on the expected credit loss model. Additionally, the Company assesses the recoverability of all the debit balances including ageing on case to case basis considering the facts and circumstances to decide on adhoc provision required.</p> <p>We have determined this matter to be key audit matter considering the materiality of the amounts and significant judgements and estimates involved regarding the allowances for trade receivables.</p>	<p>Our audit procedures in respect of this are included but not limited to:</p> <p>1. Obtained an understanding of the process from the management of the Company and tested design implementation and operating effectiveness of controls over for development and consistency of methodology for the computation of allowance for trade receivables, tested the completeness and accuracy of information used in estimation of the probability of default, loss given default and other key estimates;</p> <p>2. Recomputed the ageing of the trade receivables on sample basis and traced their balances to standalone financial statements;</p> <p>3. Verified subsequent recovery of trade receivables by tracing them in the books of accounts and bank statement on test check basis;</p> <p>4. Tested the management computations arising out of expected credit loss model;</p> <p>5. Analysing significant judgements and estimates involved around the expected credit loss model including examining the class of receivables on which certain % based on historic trends are applied, and further assessed the adequacy of provisions made for any possible non recoveries ascertaining the risk of recoverability or delayed payments, etc;</p> <p>6. Assessed the basis of management's judgement regarding specific allowance made against aged balances which are considered to be unrecoverable; and</p> <p>7. Verified the completeness and adequacy of disclosure in accordance with the requirements of the relevant Ind AS.</p>

Independent Auditor's Report (Contd.)

Sr. No	Key Audit Matter	How the Key Audit Matter was addressed in our audit
3	<p>Impairment of assets</p> <p>Refer to note 2.13 to the standalone financial statements.</p> <p>The Company has a warehouse at Agartala, Tripura having carrying value amounting to Rs. 984.10 lakhs as at March 31, 2023. This warehouse has been capitalised in the financial year 2020-21 and has not been operational since its capitalisation.</p> <p>Since the warehouse is not operational management would need to assess the impairment by using key estimates including useful life of the building, its fair value, and method of computation of the fair value. We have determined this matter to be key audit matter considering the materiality of the amounts and significant judgements and estimates involved regarding the impairment of the warehouse.</p>	<p>Our audit procedures in respect of this are included but not limited to:</p> <ol style="list-style-type: none"> 1. Obtained an understanding of the systems, processes and control implemented by management for assessment and recording for impairment of assets; 2. Assessment of the Company's accounting policies with respect to impairment in accordance with Ind AS 36 "Impairment of assets"; 3. Enquired into the reasons for non-operation of the warehouse since capitalization and assessed them for any impairment indicators; 4. Obtained the fair valuation report of the management's expert for the fair valuation of the warehouse; 5. Involved auditor's expert to assess the appropriateness of the key assumptions and estimates used by the valuers in determination of the fair value of warehouse (such as, useful life of the building, its fair value, and method of computation of the fair value, discount rates, etc.); and 6. Assessed the appropriateness of disclosures in accordance with the requirements of Ind AS 36 "Impairment of assets".
4	<p>Lease accounting</p> <p>Refer to note 2.5 and 48 to the standalone financial statements. The Company has taken certain premises for warehousing and other commercial purposes. Pursuant to adoption of Ind AS, the Company w.e.f. April 1, 2021 has used the retrospective approach for transition as per Ind AS 116 (leases), wherein the lease liability has been measured at present value of the remaining lease payments at the date of initial application (i.e., April 1, 2021) and discounted using the incremental borrowing rate at the date of initial application.</p> <p>As a result of such adoption, Company has recognized lease liability amounting to Rs. 15,322.48 lakhs and Right-of-use asset amounting to Rs. 12,877.70 lakhs as at March 31, 2023. Further during the year, Company has recognised rent expense of Rs. 3,550.97 lakhs, interest expense on lease liability Rs. 1,609.26 lakhs and depreciation on Right-of-use assets Rs. 2,761.55 lakhs in the statement of profit and loss for the year ended March 31, 2023.</p>	<p>Our audit procedures in respect of this area include but are not limited to:</p> <ol style="list-style-type: none"> 1. Obtained an understanding of the processes and control implemented by management in relation to accounting of leases; 2. Reviewed the management process in relation to application of key lease terms in lease contracts, reasonableness of the key assumptions used for the purpose of lease accounting, and assessed the appropriateness of the accounting policy in accordance with Ind AS 116 'Leases'; 3. Verified the accuracy of the underlying lease data by agreeing a representative sample of leases to original contract or other supporting information, and verified the integrity and arithmetic accuracy of the calculations for each lease sampled through recalculation of the expected Ind AS 116 adjustment; 4. Assessed the appropriateness of the assumptions applied to determine the discount rates for the lease accounting;

Independent Auditor's Report (Contd.)

Sr. No	Key Audit Matter	How the Key Audit Matter was addressed in our audit
	Management has used several judgements like determination of leases, lease term, use of practical expedients and discount rates over each lease contract and have applied estimates during lease accounting. Considering the materiality of the amounts involved, and the significant judgements and estimates used by management in the lease recognition and accounting, this matter has been identified as a key audit matter.	<ol style="list-style-type: none"> 5. Assessed the appropriateness of lease rentals and lease escalations used in computations of Right-of-use asset and corresponding lease liability for the entire lease tenure supported by the agreements with the lessor; 6. Assessed the appropriateness of leases excluded from the scope of Ind AS-116 being short term leases or leases for which underlying asset is of low value; 7. Ensured that the accounting treatment including the transition provisions adopted by the Company are in accordance with the provisions of Ind-AS 116; and 8. Assessed the adequacy and appropriateness of the disclosures made in the standalone financial statements is in accordance with the applicable Indian accounting standards.

INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's Board of Directors is responsible for the other information. The other information comprises the annual report but does not include the standalone financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 'The Auditor's responsibilities Relating to Other Information'.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements

that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole

Independent Auditor's Report (Contd.)

are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for audit of the standalone financial statements.

OTHER MATTER

The comparative financial information of the Company for the year ended March 31, 2022 and the transition date opening Balance Sheet as at April 1, 2021 included in these standalone financial statements are based on the previously issued standalone financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2021, specified under Section 133 and other relevant provisions of the Act for the year ended March 31, 2022 and March 31, 2021 on which we issued an unmodified audit opinion vide our reports dated June 06, 2022 and October 27, 2021 respectively on those standalone financial statements, as adjusted for the differences in the accounting principles adopted by the Company on transition to the Ind AS, which have also been audited by us.

Our opinion is not modified in respect of the above matter.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except that the Company has not maintained daily back-up of books of accounts and other books and papers maintained in electronic mode in a server physically located in India.
- (c) The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flow dealt with by this report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the investor education and protection fund by the Company.
 - iv. 1. The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise,

Independent Auditor's Report (Contd.)

- that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
2. The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities (Funding Parties), with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 3. Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, and according to the information and explanations provided to us by the Management in this regard
- nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material mis-statement.
- v. The Company has neither declared nor paid any dividend during the year.
 - vi. As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only w.e.f. April 1, 2023, reporting under this clause is not applicable.
3. In our opinion, according to information, explanations given to us, the remuneration paid by the Company to its directors is within the limits laid prescribed under Section 197 of the Act and the rules thereunder.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF AVG LOGISTICS LIMITED

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned

scope and timing of the audit and significant audit findings, including any significant deficiencies in

internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the year ended March 31, 2023 (current year) and are therefore, the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF AVG LOGISTICS LIMITED FOR THE YEAR ENDED MARCH 31, 2023

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report]

- i. (a) A. The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment and relevant details of right-of-use assets.
 - B. The Company has maintained proper records showing full particulars of intangible assets.
- (b) All the property, plant and equipment and right-of-use assets have not been physically verified by the management during the year but there is a regular programme of verification, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) as disclosed in the financial statements are held in the name of the Company.
- (d) According to the information and explanations given to us, the Company has not revalued its property, plant and equipment (including right-of-use assets) or intangible assets or both during the year. Accordingly, the requirements under paragraph 3(i)(d) of the Order are not applicable to the Company.
- (e) According to the information and explanations given to us, no proceeding has been initiated or pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988, as amended and rules made thereunder. Accordingly, the provisions stated in paragraph 3(i) (e) of the Order are not applicable to the Company.
- ii. (a) The inventory has been physically verified during the year by the management. In our opinion, the frequency of verification, coverage & procedure of such verification is reasonable and appropriate, having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories.
 - (b) The Company has been sanctioned working capital limits in excess of Rs. 5 crores in aggregate from banks/financial institutions on the basis of security of current assets. Quarterly returns / statements are filed with such banks/financial institutions which are in agreement with the books of account.
- iii. According to the information explanation provided to us, the Company has not made any investments in, provided any guarantee or security, or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties. Hence, the requirements under paragraph 3(iii) of the Order are not applicable to the Company.
- iv. According to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act, in respect of loans, investments, guarantees and security made.
- v. According to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the rules framed there under.
- vi. The provisions of sub-Section (1) of Section 148 of the Act are not applicable to the Company as the Central Government of India has not specified the maintenance of cost records for any of the services of the Company. Accordingly, the provisions stated in paragraph 3 (vi) of the Order are not applicable to the Company.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, cess and other statutory dues have not been regularly deposited by the Company with the appropriate authorities and there have been serious delays in large number of cases.

Statutory dues which were outstanding, as at March 31, 2023 for a period of more than six months from the date they became payable are detailed in Annexure 1.
- (b) According to the information and explanation given to us and the records of the Company examined by us, there are no dues relating to goods and services tax, provident fund, employees state

Annexure B (Contd.)

insurance, income-tax, cess or other statutory dues which have not been deposited on account of any dispute.

- viii.** According to the information and explanations given to us, there are no transactions which are not accounted in the books of account which have been surrendered or disclosed as income during the year in tax assessment of the Company. Also, there are no previously unrecorded income which has been now recorded in the books of account. Hence, the provision stated in paragraph 3(viii) of the Order is not applicable to the Company.
- ix.** (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of dues to except as detailed in Annexure 2.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information explanation provided to us, money raised by way of term loans during the year have been applied for the purpose for which they were raised.
- (d) According to the information and explanation provided to us, there are no funds raised on short term basis. Accordingly, the provision stated in paragraph 3(ix)(d) of the Order is not applicable to the Company.
- (e) According to the information explanation given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from an any entity or person on account of or to meet the obligations of its associates.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its associate Company and limited liability partnership. Hence, reporting under the Clause 3(ix)(f) of the order is not applicable to the Company.
- x.** (a) In our opinion and according to the information explanation given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Hence, the provisions stated in paragraph 3 (x)(a) of the Order are not applicable to the Company.
- (b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully, partly, or optionally convertible debentures during the year. Hence, the provisions stated in paragraph 3 (x)(b) of the Order are not applicable to the Company.
- xi.** (a) Based on our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we report that no material fraud by the Company nor on the Company has been noticed or reported during the course of our audit.
- (b) We have not come across of any instance of material fraud by the Company or on the Company during the course of audit of the standalone financial statement for the year ended March 31, 2023, accordingly the provisions stated in paragraph (xi)(b) of the Order is not applicable to the Company.
- (c) As represented to us by the Management, there are no whistle-blower complaints received by the Company during the year.
- xii.** (a) The Company is not a Nidhi Company. Accordingly, the provisions stated in paragraph 3(xii) (a) to (c) of the Order are not applicable to the Company.
- xiii.** According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv.** (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered internal audit reports of the Company issued till date, for the period under audit.

Annexure B (Contd.)

- xv.** According to the information and explanations given to us, in our opinion, during the year the Company has not entered into non-cash transactions with directors or persons connected with its directors and hence, provisions of Section 192 of the Act are not applicable to Company.
- xvi.** (a) The Company is not required to be registered under Section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions stated in paragraph 3 (xvi)(a) of the Order are not applicable to the Company.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without any valid Certificate of Registration from Reserve Bank of India. Hence, the reporting under paragraph 3 (xvi)(b) of the Order are not applicable to the Company.
- (c) The Company is not a Core investment Company (CIC) as defined in the regulations made by Reserve Bank of India. Hence, the reporting under paragraph 3 (xvi)(c) of the Order are not applicable to the Company.
- (d) The Company does not have more than one CIC as a part of its group. Hence, the provisions stated in paragraph 3 (xvi)(d) of the Order are not applicable to the Company.
- xvii.** Based on the overall review of standalone financial statements, the Company has not incurred cash losses in the current financial year and in the immediately preceding financial year. Hence, the provisions stated in paragraph 3 (xvii) of the Order are not applicable to the Company.
- xviii.** There has been no resignation of the statutory auditors during the year. Hence, the provisions stated in paragraph 3 (xviii) of the Order are not applicable to the Company.
- xix.** According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of

the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx.** According to the information and explanations given to us and based on our verification, the provisions of Section 135 of the Act are applicable to the Company. The Company has made the required contributions during the year and there are no unspent amounts which are required to be transferred either to a Fund or to a Special Account as per the provisions of Section 135 of the Act read with schedule VII. Accordingly, reporting under Clause 3(xx)(a) and Clause 3(xx)(b) of the Order is not applicable to the Company.
- xxi.** The reporting under Clause 3(xx) of the Order is not applicable since we have consolidated the unaudited and management furnished financial statements of one of the associate Company to which reporting under CARO is applicable. Accordingly, no comment in respect of the said Clause has been included in the report.

ANNEXURE C TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF AVG LOGISTICS LIMITED

[Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of AVG Logistics Limited on the Standalone Financial Statements for the year ended March 31, 2023]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

OPINION

We have audited the internal financial controls with reference to standalone financial statements of AVG Logistics Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2023, based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI) (the "Guidance Note").

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone

financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO STANDALONE FINANCIAL STATEMENTS

A Company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted

Annexure C (Contd.)

accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO STANDALONE FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal

financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS

1 CORPORATE INFORMATION/BACKGROUND

AVG Logistics Limited ('the Company') was incorporated on January 25, 2010 under the Companies Act, 1956. The main objects of the Company are transportation of goods, warehousing and other incidental activities there to. The Company is also involved in trading business. The registered office of the Company is situated in New Delhi. The Company's equity shares got listed on April 11, 2018 on NSE-SME platform. The Equity Shares of the Company were listed on National Stock Exchange ('NSE') and Bombay stock Exchange ('BSE') on May 12, 2023. The Ind AS financial statements for the year ended March 31, 2023 were approved by the Board of Directors on June 03, 2023.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April 01, 2021. "The Company has adopted the Ind AS on voluntary basis for the period ended March 31, 2022, with Comparative financials and date of transition April 01, 2021." In accordance with Ind AS 101 First-time Adoption of Indian Accounting Standards, the Company has presented a reconciliation from the presentation of financial statements under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") to Indian Accounting Standards (Ind AS) read with Companies (Indian Accounting Standards) Rules, 2015 of shareholders' equity as at March 31, 2022 and April 01, 2021 and of the total comprehensive income for the year ended March 31, 2022. These financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013 (the "Act").

2.1 Basis of preparation of Financial Statements and Statement of Compliance with Ind AS

The financial statements have been prepared in accordance with Indian Accounting Standard as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under section 133 of the Companies Act, 2013 (the 'Act').

2.2 Basis of measurement

The financial statements have been prepared on accrual basis and the historical cost basis as a going concern except for financial instruments that are measured at fair values or at amortised cost, wherever applicable, at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosure purposes in this financial statement is determined on such basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- * Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- * Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- * Level 3 inputs are unobservable inputs for the asset or liability.

The financial statements are prepared in Indian Rupee (INR) and denominated in lakhs.

The principal accounting policies are set out below.

Notes to the standalone financial statements for the year ended March 31, 2023 (Contd.)

2.3 Inventories

Inventories are valued at lower of cost and net realisable value. The cost is determined on first in first out basis and includes all charges incurred for bringing the inventories to their present condition and location. Net realisable value is the estimated selling price in the ordinary course of business, less estimated cost necessary to make sale.

2.4 Revenue recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer, at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods or services before transferring them to the customer.

2.4.1 Rendering of services

Incomes from logistics services rendered are recognised on the completion of the services as per the terms of contract. Revenue is recognised at the fair value of consideration received or receivable, to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

2.4.2 Warehouse Income

Warehouse rental income is recognised on a straight-line basis over the period of the lease agreements.

2.4.3 Other income

Dividend income from investments is recognised when the right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

2.5 Leasing

At inception of a contract, the Company assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

* The contract involves the use of an identified asset - this may be specified explicitly or implicitly and should be physically distinct or represent substantially all of the capacity of a physically distinct asset. If the lessor has a substantive substitution right, then the asset is not identified.

* The Company has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use; and

* The Company as a lessee has the right to direct the use of the asset. The Company has this right when it has the decision-making rights that are most relevant to changing how and for what purpose the asset is used. In rare cases where the decision about how and for what purpose the asset is used is predetermined, the Company has the right to direct the use of the asset if either:

- a) the Company as a lessee has the right to operate the asset; or
- b) the Company as a lessee designed the asset in a way that predetermines how and for what purpose it will be used.

This policy is applied to contracts entered into, or modified, on or after April 01, 2021.

As a lessee

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use assets are subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. In

Notes to the standalone financial statements for the year ended March 31, 2023 (Contd.)

addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at amortised cost at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, using the incremental borrowing rate. The ROU of assets has been created on the basis of lock in period of lease agreement more than 12 months.

It is re-measured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Short-term leases and leases of low-value assets

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

As a lessor

When the Company acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease.

Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

The Company recognises lease payments received under operating leases as income on a straight-line basis over the lease term as part of 'other income'.

As a lessee

Operating leases

The Company has elected not to apply the requirements of Ind AS 116 to leases which are expiring within 12 months from the date of transition by class of asset and leases for which the underlying asset is of low value on a lease-by-lease basis. The Company has also used the practical expedient provided by the standard when applying Ind AS 116 to leases previously classified as operating leases under Ind AS 17 and therefore, has not reassessed whether a contract, is or contains a lease, at the date of initial application, relied on its assessment of whether leases are onerous, applying Ind AS 37 immediately before the date of initial application as an alternative to performing an impairment review, excluded initial direct costs from measuring the right of use asset at the date of initial application and used hindsight when determining the lease term if the contract contains options to extend or terminate the lease. Single discount rate to a portfolio of leases with similar characteristics.

On application of Ind AS 116, the nature of expenses has changed from lease rent in previous periods to depreciation cost for the right-to-use asset, and finance cost for interest accrued on lease liability.

In case of Sub - leases

- I. When the intermediate lessor enters into a sublease, the intermediate lessor (other than operating lease) :
 1. Derecognises the ROU asset relating to the head lease that it transfer to the sublessee and recognises the net investment in the sublease.
 2. Recognises any difference between the ROU asset and the net investment in the sublease in profit or loss.
 3. Retains the lease liability relating to the head lease in its balance sheet, which represent the lease payments owned to the head lessor.

During the term of the sublease, the intermediate lessor recognises both

 - Finance income on the sublease and
 - Interest Expenses on the head lease.
- II. When the intermediate lessor enters into a sublease, the intermediate lessor (operating lease):

Notes to the standalone financial statements for the year ended March 31, 2023 (Contd.)

- There would be same treatment as in case of finance lease.

2.6 Foreign currencies

Initial recognition

In preparing the financial statements of the Company, transactions in currencies other than the entity's functional currency of Indian Rupees (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions.

Conversion

- (a) Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.
- (b) Non-monetary items, if any are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange differences

The Company accounts for exchange differences arising on translation/settlement of foreign currency monetary items as below:

- a. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.
- b. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss

2.7 Borrowing costs

Borrowing Cost that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to revenue in the year of incurrence. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.8 Employee benefits

2.8.1 Retirement benefit costs and termination benefits

i. Defined Contribution Plan:

Company's contributions paid/payable during the year to the superannuation fund, ESIC, provident fund and labour welfare fund are recognised in the Statement of Profit and Loss.

ii. Defined Benefits Plan:

For defined retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in Other Comprehensive Income in the period in which they occur. Remeasurement recognised in Other Comprehensive Income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows.

- a. Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- b. Net interest expense or income; and
- c. Remeasurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the Balance Sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

Notes to the standalone financial statements for the year ended March 31, 2023 (Contd.)

2.8.2 Short-term and other long-term employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

2.9 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

2.10.1 Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'Profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

2.10.2 Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities are recognised for taxable temporary differences associated with

investments in subsidiaries and associates, and interests in joint ventures, except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

2.10.3 Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in Other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognised in Other Comprehensive Income or directly in equity respectively.

2.11 Property, Plant and Equipment

All items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost of acquisition is inclusive of purchase price, levies and any directly attributable cost of bringing the assets to its working condition for the intended use. Subsequent costs are included in the asset's carrying amount or recognised as separate asset, as appropriate, only when it is probable that the future economic benefits associated with the item will flow to the Company and cost of the

Notes to the standalone financial statements for the year ended March 31, 2023 (Contd.)

item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation on tangible assets is charged by the Straight Line Method (SLM) in accordance with the useful lives specified in Part - C of Schedule II of the Companies Act, 2013 on a pro-rata basis except in the case of:

The carrying amount is calculated after reducing 5% of the value of property, plant and equipment as residual value. The Company has used following useful lives to provide depreciation of different class of its property, plant and equipment

Particulars	Useful life (in years)
Computer	3
Building – RCC frame structure	60
Building – other than RCC frame structure	30
Furniture and fixtures	10
Office equipment	5
Vehicle	8
Trucks (till September 30, 2020)	6
Trucks (w.e.f. October 01, 2020)	10

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment measured as per the Previous GAAP as at April 01, 2021 as its deemed cost on the date of transition.

2.12 Intangible assets

2.12.1 Intangible assets acquired separately

The useful lives of intangible assets are assessed as either finite or infinite. Intangible assets with

finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

2.12.2 Useful lives of intangible assets

The expenditure incurred is amortised over three financial years equally commencing from the year in which the expenditure is incurred.

Particulars	Useful life (in years)
Computer Software	
– ERP	3
– Other than ERP	3

2.13 Impairment of tangible and intangible assets

The management of the Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the management estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and recognised in the Statement of Profit and Loss. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost. A reversal of an impairment loss is recognised immediately in profit or loss.

2.14 Impairment of investments

The Company assesses impairment of investments in subsidiaries, associates and joint ventures which are recorded at cost. At the time when there are any indications that such investments have suffered a loss, if any, is recognised in the statement of Profit and Loss. The recoverable amount requires estimates of operating margin, discount rate, future growth rate, terminal values, etc. based on management's best estimate.

Notes to the standalone financial statements for the year ended March 31, 2023 (Contd.)

2.15 Provisions, Contingent Liabilities and Contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

2.16 Financial instruments

Financial assets and financial liabilities are recognised when a company becomes a party to the contractual provisions of the instruments

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

2.17 Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a settlement date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the

financial assets.

2.17.1 Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortised cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition)

- i. the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- ii. the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

For the impairment policy on financial assets measured at amortised cost

Investments in subsidiaries: All investments in subsidiaries are valued at cost.

All other financial assets are subsequently measured at fair value.

2.17.2 Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognised in profit or loss and is included in the "Other income" line item.

2.17.3 Financial assets at Fair value through Profit and Loss

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in Other Comprehensive Income for investments in equity instruments which are not held for trading.

Notes to the standalone financial statements for the year ended March 31, 2023 (Contd.)

A financial asset that meets the amortised cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognising the gains and losses on them on different bases.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other Income' line item. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividend is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be measured reliably.

2.17.4 Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, trade receivables, other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit-impaired financial assets).

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition.

When making the assessment of whether there has been a significant increase in credit risk since initial recognition, the Company uses the change in the risk of a default occurring over the expected life of the financial instrument instead

of the change in the amount of expected credit losses. To make that assessment, the Company compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

2.17.5 Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in Other Comprehensive Income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

Notes to the standalone financial statements for the year ended March 31, 2023 (Contd.)

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in Other Comprehensive Income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in Other Comprehensive Income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

2.17.6 Financial Liability:

Financial liabilities are classified and measured at amortised cost or FVTPL

a) Initial Recognition and Subsequent measurement:

- Financial liabilities through fair value through profit or loss (FVTPL): A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in Statement of Profit and Loss.
- Financial liabilities at amortised cost: Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Statement of Profit and Loss.

Interest bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in Statement of Profit and Loss

when the liabilities are derecognised as well as through the EIR amortisation process. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximates fair value due to the short maturity of these instruments.

b) Financial guarantee liability:

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument.

2.17.7 Foreign exchange gains and losses

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period.

- For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange differences are recognised in profit or loss except for those which are designated as hedging instruments in a hedging relationship.
- Changes in the carrying amount of investments in equity instruments at FVTOCI relating to changes in foreign currency rates are recognised in Other Comprehensive Income.
- For the purposes of recognising foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortised cost. Thus, the exchange differences on the amortised cost are recognised in profit or loss and other changes in the fair value of FVTOCI financial assets are recognised in Other Comprehensive Income.

2.18 Financial liabilities and equity instruments

2.18.1 Classification as debt or equity

Debt and equity instruments issued by a company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Notes to the standalone financial statements for the year ended March 31, 2023 (Contd.)

2.18.2 Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a company entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

2.18.3 Financial liabilities

All financial liabilities are subsequently measured at amortised cost.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

2.19 Segment Accounting:

The CEO monitors the operating results of the business segments separately for the purpose of making decisions about the allocation of resources and performance assessment. Segment performance is measured based on profit or loss and is measured consistently with profit or loss in Financial Statements.

Identification of Operating Segments

The operating segments have been identified based on its services and has two reportable segments, as follows:

- i. Supply Chain Management - Goods transportation service including warehouse management service.
- ii. Trading Business

Accounting of Operating Segments

Accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenues and expenses, which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis and inter-segment revenue and expenses, have been included under "Unallocated Corporate Expenses/ Eliminations".

2.20 Earnings Per Share:

Basic and diluted earnings per share is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of Equity Shares outstanding during the year, in accordance with Ind AS 33.

3 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Company's accounting policies, which are described in note 2, the management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only the period of the revision and future periods if the revision affects both current and future periods.

The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

(i) Useful lives of Property, Plant and Equipment

As described in note 2.11 above, the Company reviews the estimated useful lives of Property, Plant and Equipment at the end of each annual reporting period.

Notes to the standalone financial statements for the year ended March 31, 2023 (Contd.)

(ii) Defined Benefit Plans

The cost of the defined benefit plans and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making assumptions that may differ from actual developments in the future. These include the determination of discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(iii) Fair Value of financial assets and liabilities and investments

The Company measures certain financial assets and liabilities on fair value basis at each balance sheet date or at the time they are assessed for impairment. Fair value measurement that are based on significant unobservable inputs (Level 3) requires estimates of operating margin, discount rate, future growth rate, terminal values etc. based on management's best estimate about future developments.

(iv) Leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and there by assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

(v) Trade receivables

The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated

future economic conditions. The Company has considered subsequent recoveries, past trends, credit risk profiles of the customers based on their industry, macroeconomic forecasts and internal and external information available to estimate the probability of default in future and has taken into account estimates of possible effect from the pandemic relating to COVID-19.

4 STANDARDS (INCLUDING AMENDMENTS) ISSUED BUT NOT YET EFFECTIVE

The Ministry of Corporate Affairs has vide notification dated March 31, 2023 notified Companies (Indian Accounting Standards) Amendment Rules, 2023 (the 'Rules') which amends certain accounting standards, and are effective April 01, 2023:

Ind AS 1 - Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements.

Ind AS 12 - Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences.

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty.

None of the amendments notified by MCA which are applicable from April 01, 2023 are expected to have any material impact on the financial statements of the Company.

**Notes to the standalone financial statements
for the year ended March 31, 2023 (Contd.)**

(All amounts in INR Lakhs, unless otherwise stated)

5 DISCLOSURE PURSUANT TO IND AS 101 "FIRST TIME ADOPTION OF INDIAN ACCOUNTING STANDARDS"**First time adoption of Ind AS**

The Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015. The Company has adopted Ind AS with a transition date of April 01, 2021. Accordingly, financial statements for the year ended March 31, 2023 together with the comparative information for the year ended March 31, 2022 and opening Ind AS balance sheet as at April 01, 2021 have been prepared in accordance with accounting policies as set out in Note 2 - "Significant accounting policies".

The Company has prepared its opening Ind AS balance sheet as at April 01, 2021 by recognising assets and liabilities whose recognition is required by Ind AS, derecognising assets and liabilities which are not permitted by Ind AS, reclassifying assets and liabilities as required by Ind AS, and applying Ind AS measurement principles, subject to certain optional exemptions and mandatory exceptions. The resulting difference between the carrying values of the assets and liabilities as at the transition date under Ind AS and Previous GAAP have been adjusted directly against "Other Equity".

The effect of the transition to Ind AS on Company's financial position, financial performance and cash flows is set out below.

(a) Optional exemptions and mandatory exceptions

The Company has availed the following optional exemptions and mandatory exceptions on first time adoption of Ind AS as per Ind AS 101.

(i) Optional exemptions**Deemed cost for property, plant and equipment (PPE) and intangible assets (IA)**

Previous GAAP carrying value to be considered as 'deemed cost' as on transition date for property, plant and equipment and intangible assets.

Leases

The Company has opted to determine, whether a contract or arrangement existing at the date of transition contains a lease /sub-lease on the basis of facts and circumstances of each cases existing at the date of transition rather than at the inception of the arrangement.

Investments in joint ventures**Designation of investment in equity instruments**

The Company has opted to designate equity investments as at deemed cost in its opening Ind AS financial for its investment in the joint ventures based on the facts and circumstances existing at the date of transition to Ind AS rather than at initial recognition.

(ii) Mandatory exceptions**Classification and measurement of financial assets**

The Company has assess and determined the classification and measurement of financial assets on the basis of the facts and circumstances existing at the date of transition.

The following reconciliations provides the effect of transition to Ind AS from Indian GAAP in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards: -

Notes to the standalone financial statements for the year ended March 31, 2023 (Contd.)

(f) Impact of Ind AS adoption on cash flow statements for the year ended March 31, 2022

	Indian GAAP*	Adjustments	Ind AS
Net cash flow from operating activities			
Net cash flow from investing activities	2,847.97	40.92	2,888.89
Net cash flow from financing activities	(2,370.95)	(48.27)	(2,419.22)
	(593.72)	5.33	(588.39)
Net increase / (decrease) in cash and cash equivalents	(116.70)	(2.02)	(118.72)
Cash and cash equivalents as at April 01, 2021	337.10	-	337.10
Cash and cash equivalents as at March 31, 2022	220.40	(2.02)	218.38

* The Indian GAAP figures have been reclassified to conform to Ind AS presentation requirements for the purpose of this note.

(g) Analysis of changes in cash and cash equivalent for the purpose of statement of cash flows under Ind AS:

	As at March 31, 2022	As at April 01, 2021
Cash and cash equivalents as per Indian GAAP	218.38	337.10
Adjustments:		
Reclassification of fixed deposit for less than 3 Months of maturity	-	-
Cash and cash equivalents as per Ind AS	218.38	337.10

(h) Notes:

i. Under Ind AS financial assets and liabilities are measured at fair value at the inception and subsequently at amortised cost or at fair value based on their classification. Under I-GAAP the financial assets and liabilities were measured at cost net of allowance.

ii. IndAS 116
Right-of-use assets

Under previous GAAP, there is no such provision for creation of Right-of-use assets. As per the provision of Ind As 116, Company has to create Right-of-use assets. At date of transition, the Company have lease agreement where Company is lessee. Thus as per the requirement of Ind As 116, the Company has recognised Right-of-use assets and corresponding has recognised lease liability. Therefore Right-of-use assets amounting INR 421.33 as at April 01, 2021 (INR 15,639.24 as at March 31, 2022) has recognised. Right-of-use assets amounting INR 0.47 as at April 01, 2021 has recognised on account of Security Deposit given.

Right-of-use assets amounting INR 31.82 as at April 01, 2021 (INR 30.19 as at March 31, 2022) has recognised on account of reclassification of leasehold land from Property plant and equipment.

Under previous GAAP, there is no such provision for creation of net investment on sublease. As per the provision of Ind As 116, Company has to create Net investments on sublease in the nature of finance lease. Thus as per the requirement of Ind As 116, the Company has recognise Net investments on sublease as at April 01, 2021 amounting INR 967.62 by derecognition of Right-of-use assets amounting INR 782.97 and corresponding adjustment in retained earnings by INR 184.65. There is net decrease in Net investments on sublease by INR 27.21 due to recognition of unearned finance income and reversal of net investment on sublease on account of receipt of rent payments.

As per Ind AS 116, Deferred lease income w.r.t sublease in the nature of finance lease, recognised under previous GAAP has been derecognised by corresponding adjustment in retained earnings by INR 192.93 as at April 01, 2021 (INR 208.89 as at March 31, 2022)

Correspondingly, depreciation amounting to INR 1167.59 has been charged to profit and loss statement for the period ended on March 31, 2022)

Notes to the standalone financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

Lease liability

Under previous GAAP lease is recognised on straight lines basis .As per the provision of Ind AS corresponding to Right-of-use assets, lease liability of INR 1,204.30 as at April 01, 2021 (INR 17,181.13 as at March 31, 2022) has been recognised. Correspondingly, interest on lease liability of INR 785.28 has been booked and payment of leases rental amounting INR 1,163.17 has been paid for the year ended on March 31, 2022.

Difference on date on transition between Rights of use assets and lease liability has been transferred to retained earnings.

iii. Security deposit

Under Indian GAAP, interest-free security deposit (that are payable in cash on completion of the lease term) are recorded at their transaction value. Under Ind AS, all financial liabilities are required to be recognised at fair value. Accordingly the Company has fair valued these security deposits under Ind AS. Difference between the fair value and transaction value of the security deposit has been recognised as deferred income. Consequently, the amount of security deposit as on March 31, 2022 has been decreased by INR (April 01, 2021: INR 31.18) with a corresponding increase in deferred income. The income for the year ended March 31, 2022 and retained earnings as on April 01, 2021 has been increased by INR 3.05 and INR Nil, respectively due to unwinding of deferred income. Unwinding of deferred income in statement profit or loss is partially off-set by the notional interest expense of INR 1.86 during the year ended March 31, 2022 and in retained earnings by INR Nil as on April 01, 2021 with corresponding increase in security deposit.

Under Indian GAAP, as on March 31, 2022 the Company has classified 77.50 (April 01, 2021: INR Nil) as short term security deposit. Under Ind AS, as on March 31, 2022 short-term security deposits includes deposits which were measured at amortised cost due it long-term nature in the previous years. However, in current year the same has been classified as short-term as they will be settled within 12 months from the end of March 31, 2022.

iv. Lease equalisation reserve

Lease equalization reserve has been decreased with a corresponding adjustment in retained earnings as of April 01, 2021 by INR 344.39 (INR 411.90 as at March 31, 2022) pursuant to adoption of Ind AS. The income for the year ended March 31, 2022 has been increased by INR 67.51 due to reversal of lease equalisation reserve.

Deferred tax

- v. Under Previous GAAP, deferred taxes were accounted basis the income statement approach which required creation of deferred tax asset/liability on temporary differences between taxable income and accounting income. Under Ind AS, deferred taxes are accounted basis the balance sheet approach which requires creation of deferred tax asset/liability on temporary differences between the carrying amount of an asset/liability in the Balance Sheet and its corresponding tax base. Application of Ind AS has also resulted in recognition of deferred taxes on new temporary differences arising due to adjustments made on transition to Ind AS.

Defined benefit liabilities

- vi. Both under Indian GAAP and Ind AS, the Company recognised costs related to its post-employment defined benefit plan on an actuarial basis. Under Indian GAAP, the entire cost, including actuarial gains and losses, are charged to Statement of Profit and Loss. Under Ind AS, re-measurements comprising of actuarial gains and losses are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI. Thus the employee benefit cost for the year ended March 31, 2022 is reduced by INR 3.06 and re-measurement gains/ losses on defined benefit plans of the corresponding amount has been recognised in the OCI, net of taxes.
- vii. The previous year IGAAP figures have been reclassified/ regrouped to make them comparable with Ind AS presentation.

**Notes to the standalone financial statements
for the year ended March 31, 2023 (Contd.)**

As per records of the Company, including its register of shareholders/members and other declarations received from shareholders regarding beneficial interest, the above shareholding represents both legal and beneficial ownerships of shares.

(c) Terms/ rights attached to equity shares

The Company has only one class of equity shares having par value of INR 10 per share. Each shareholder is entitled to one vote per share held. The Company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to approval of the shareholders in ensuing Annual General Meeting, except in the case where interim dividend is distributed. However, the Company has not distributed any dividend during the current year and previous year. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

Notes to the standalone financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

- (d) No class of shares have been allotted as fully paid up pursuant to contract without payment being received in cash, allotted as fully paid up by way of bonus shares or bought back by the Company during the period.
- (e) The Company issued 1,477,271 equity shares of INR 10 each at a premium of INR 34 each, total amounting INR 650 Lakhs under preferential allotment dated August 29, 2020. The amount has been raised and utilised for working capital purposes.

Notes to the standalone financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

40 EARNINGS PER SHARE

Basic earnings per share amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year. The Company does not have any outstanding potential equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

	For the year ended March 31, 2023	For the year ended March 31, 2022
Profit after tax attributable to equity shareholders (amount in INR Lakhs)	786.67	92.33
Basic and diluted average equity shares (in numbers)	1,17,75,271.00	1,17,75,271.00
Nominal value of equity shares (in INR absolute numbers)	10.00	10.00
Basic and diluted earning per share (in INR absolute numbers)	6.68	0.78

41 CONTINGENT LIABILITIES

	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Bank guarantee	991.00	978.33	578.44
	991.00	978.33	578.44

42 CAPITAL AND OTHER COMMITMENTS

Capital commitments *	159.01	0.92	18.53
Other material commitments			

*Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances).

43 DISCLOSURE PURSUANT TO INDIAN ACCOUNTING STANDARD (IND AS) 108 "OPERATING SEGMENTS"

a. Basis of identifying operating segments:

Operating segments are identified as those components of the Company (a) that engage in business activities to earn revenues and incur expenses (including transactions with any of the Company's other components; (b) whose operating results are regularly reviewed by the Chief Operating Decision Maker (CODM) to make decisions about resource allocation and performance assessment; and (c) for which discrete financial information is available.

Primary segment

The Company has acquired the logistics business segment of PCG Logistics Private Limited, on April 30, 2022 for a consideration of INR 327.80 Lakhs which has been recognised in the books as intangibles assets. This acquisition has resulted in the expansion of the Company's operations and the acquisition of new retail customers. The Company is primarily engaged in the business of logistics which constitutes a single business segment and accordingly disclosure requirements of Ind AS 108 'Operating Segments' are not required to be given. As defined in Ind AS 108, the Chief Operating Decision Maker (CODM), i.e. the Board of Directors, evaluates the performance of the Company and allocates resources based on the analysis of the various performance indicators or the Company as a single unit.

	For the year ended March 31, 2023	For the year ended March 31, 2022
A. Segment Revenue		
Logistics business	42,989.51	43,233.25
Total revenue from operations*	42,989.51	43,233.25

**Notes to the standalone financial statements

(All amounts in INR Lakhs, unless otherwise stated)

	For the year ended March 31, 2023	For the year ended March 31, 2022
B. Segment results		
Expenses		
Logistics business	41,871.52	43,147.46
Total expenses**	41,871.52	43,147.46
Profit before tax	1,118.00	85.80
Tax expenses	331.32	(6.53)
Profit after tax	786.67	92.33

	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
A. Segment assets			
Logistics business	40,688.57	42,337.53	24,046.66
Total	40,688.57	42,337.53	24,046.66
B. Segment Liabilities			
Logistics business	31,774.04	34,208.66	16,007.83
Total	31,774.04	34,208.66	16,007.83

Notes

* Total revenue from operations includes other income for segment purposes.

** Total expenses includes all operating and non operating expenses including depreciation.

Two customers accounts for more than 10% of the revenue during the year ended March 31, 2023 (March 31, 2022: Two customers).

44 CORPORATE SOCIAL RESPONSIBILITY (CSR)

As per Section 135 of the Companies Act, 2013, a company, meeting the applicability threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. A CSR committee has been formed by the Company as per the Act. The funds are utilised through the year on these activities which are specified in Schedule VII of the Companies Act, 2013.

	For the year ended March 31, 2023	For the year ended March 31, 2022

Education	Bag distribution to girls	0.58	1.00
Medical	Sikh aid - ALL INDIA PINGALWARA SOCIETY	4.02	9.41
		9.13	12.42

45 FINANCIAL INSTRUMENTS

I. Capital Management Policy: -

- a) The Company's capital management objectives are: -
 - to ensure the Company's ability to continue as a going concern.
 - to provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.
- b) For the purpose of Company's capital management, capital includes issued share capital, equity and all other equity reserves. The Company monitors capital on the basis of the carrying amount of equity as presented on the face of the statement of financial position. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.
- c) The following table shows the components of capital:

	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Equity	8,914.53	8,128.87	8,038.83
	8,914.53	8,128.87	8,038.83

Note

1. The above capital management disclosures are based on the information provided internally to key management personnel.

II. A. Fair Values hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Fair value of financial assets and liabilities measured at amortised cost.

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values.

**Notes to the standalone financial statements
for the year ended March 31, 2023 (Contd.)**

	12,185.09	-	-	12,185.09
Financial liabilities at amortised cost				
Borrowings	10,654.17	-	-	10,654.17
Lease liabilities	1,181.19	-	-	1,181.19
Trade payables	1,715.55	-	-	1,715.55
Other financial liabilities	860.85	-	-	860.85
	14,411.76	-	-	14,411.76

The management assessed that cash and bank balance, trade receivables, trade payables and other current financial assets and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

46 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company continues to focus on a system-based approach to business risk management. The Company's financial risk management process seeks to enable the early identification, evaluation and effective management of key risks facing the business. Backed by strong internal control systems, the current Risk Management Framework rests on policies and procedures issued by appropriate authorities; process of regular internal reviews/audits to set appropriate risk limits and controls; monitoring of such risks and compliance confirmation for the same.

a. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: interest rate risk, foreign currency risk and price risk. The Company has in place appropriate risk management policies to limit the impact of these risks on its financial performance. The Company ensures optimisation of cash through fund planning and robust cash management practices.

(i) Interest rate risk

Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Financial assets and liabilities of the Company are either non-interest bearing or fixed interest bearing instruments, the Company's net exposure to interest risk on such instruments is negligible.

(ii) Price risk

The Company has invested its funds in equity instruments of the associate. The Company is not exposed to price risk.

Notes to the standalone financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

(iii) Foreign currency risk

The Indian Rupee is the Company's most significant currency. As a consequence, the Company's results are presented in Indian Rupee and exposures are managed against Indian Rupee accordingly. Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a foreign currency). The Company does not have any exposure in foreign current as at reporting date, therefore, the Company is not exposed to foreign currency risk.

Details On Derivatives Instruments And Unhedged Foreign Currency Exposures

The year-end foreign currency exposures that have not been hedged by a derivative instrument is Nil.

b. Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its investing activities, including deposits with banks. Management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis.

i. Financial assets for which loss allowance is measured using life time expected credit losses

The Company provides loss allowance on trade receivables using life time expected credit loss and as per simplified approach.

ii. Financial assets for which loss allowance is measured using 12 month expected credit losses

All of the Company investments and loans at amortised cost are considered to have low credit risk, and the loss allowance recognised during the period was therefore limited to 12 months expected losses. Management considers instruments to be low credit risk when they have a low risk of default and the issuer has a strong capacity to meet its contractual cash flow obligations in the near term at its own.

(i) Trade receivables

Customer credit risk is managed basis established policies of company, procedures and controls relating to customer credit risk management. Outstanding customer receivables are regularly monitored. The Company does not hold collateral as security.

The Company maintains exposure to Investments, cash equivalents, other bank balances, loans, trade receivables and other financial assets. The Company has set counter-parties limits based on multiple factors including financial positions, credit ratings, etc.

The Company's maximum exposure to credit risk as at March 31 2023, March 31 2022 and April 1 2021 is the carrying value of each class of financial assets.

(a) Ageing analysis of the age of trade receivable amounts that are not due as at the end of reporting year:

	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Within credit days	1,639.23	1,616.78	1,052.56
	1,639.23	1,616.78	1,052.56

**Notes to the standalone financial statements
for the year ended March 31, 2023 (Contd.)**

(All amounts in INR Lakhs, unless otherwise stated)

- (b) Ageing analysis of the age of trade receivable amounts that are past due as at the end of reporting year but not impaired:

	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Trade receivables:			
Less than 6 months	7,140.21	6,633.74	6,192.87
6 months - 1 years	848.37	1,317.53	811.08
1 - 2 years	2,147.12	741.70	870.97
2 - 3 years	391.42	327.24	340.55
> 3 years	146.88	113.30	149.69
Total	10,674.00	9,133.51	8,365.16
Allowance for credit impairment/ Allowance for expected credit loss	1,624.80	1,427.38	1,327.43

c. Liquidity Risk

Liquidity risk is the risk that the Company will encounter in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The approach of the Company to manage liquidity is to ensure, as far as possible, that these will have sufficient liquidity to meet their respective liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risk damage to their reputation.

The Company's objective is to provide financial resources to meet its business objectives in a timely, cost effective and reliable manner. A balance between continuity of funding and flexibility is maintained through the use of funds from parent company. The Company also monitors compliance with its debt covenants. The maturity profile of the Company's financial liabilities based on contractual undiscounted payments is given in the table below: -

As at March 31, 2023	0-1 Years	1-2 Years	More than 2 years	Total
Borrowings	-	1,229.40	10,008.35	11,237.75

(All amounts in INR Lakhs, unless otherwise stated)

d. Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to ensure that it maintains an efficient capital structure and healthy capital ratios in order to support its business and maximise shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total equity. The Company's policy is to keep optimum gearing ratio. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents (including other bank balances).

Particulars	As at	As at	As at
	March 31, 2023	March 31, 2022	April 01, 2021
Gross Debt	11,237.75	11,544.76	10,654.17
Less: cash and cash equivalents	239.00	517.55	575.72
Net debt	10,998.75	11,027.21	10,078.45
Equity	1,177.53	1,177.53	1,177.53
Other equity	7,737.00	6,951.34	6,861.30
Total equity	8,914.53	8,128.87	8,038.83
Gearing ratio (%)	123.38%	135.65%	125.37%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements.

47 DISCLOSURES PURSUANT TO INDIAN ACCOUNTING STANDARD (IND AS) 19 "EMPLOYEE BENEFITS"

a) Defined contribution plans:

The Company makes Provident Fund, Employee State Insurance Scheme contributions which are defined contribution plans, for qualifying employees. Under the schemes, the Company incorporated in India is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company recognised INR 72.21 Lakhs year ended March 31, 2023 and INR 70.36 Lakhs year ended March 31, 2022 for Provident Fund contributions and INR 16.53 Lakhs year ended March 31, 2023 and INR 16.08 Lakhs year ended March 31, 2022 for Employee State Insurance Scheme contributions in the Statement of Profit and Loss. The contributions payable to these plans by the Company are at rates specified in the rules of the schemes.

b) Defined benefit plans:

The present value obligation is determined based on actuarial valuation using the projected unit credit method to assess the Plan's liabilities, including those related to death-in-service and incapacity benefits. Under the PUC method a "projected accrued benefit" is calculated at the beginning of the year and again at the end of the year for each benefit that will accrue for all active members of the Plan. The "projected accrued benefit" is based on the Plan's accrual formula and upon service as of the beginning or end of the year, but using a member's final compensation, projected to the age at which the employee is assumed to leave active service. The plan liability is the actuarial present value of the "projected accrued benefits" as of the beginning of the year for active members.

Recognition of re-measurement items

Re-measurements arising from defined benefit plans comprise actuarial gains and losses on benefit obligations, the return on plan assets in excess of what has been estimated and the effect of asset ceiling, if any, in case of over funded plans. The Company recognises these items of re-measurements immediately in other comprehensive income and all the other expenses related to defined benefit plans in employee benefit expenses in profit and loss account.

48 LEASES
First time adoption of Ind AS 116- Leases

Effective April 1, 2021 the Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on April 1, 2021 using the modified retrospective method. Right-of-use of assets (ROU) are measured at cost comprising the amount of the initial measurement of lease liability, any lease payments made at or before the commencement date and any initial direct costs less any lease incentives received. Lease liabilities were recognised based on the present value of the remaining lease payments, discounted using the incremental borrowing rate at the date of initial application.

The weighted average incremental borrowing rate applied to lease liabilities as at April 1, 2021 is 10%.

As Lessee

- (i) The Company has entered into various lease agreements for warehousing and logistics. Such lease contracts include monthly fixed payments for rentals. The lease contracts are generally cancellable at the option of lessee during the lease tenure after the completion of non-cancellable period. There are no significant restrictions imposed under the lease contracts. The following table presents the reconciliation of changes in the carrying value of Right-of-use assets (ROU) and lease liability for the year ended March 31, 2023 and March 31, 2022.

Notes to the standalone financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

(ii) Change in the carrying value of right-of-use assets

	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Opening balance	15,639.24	453.62	-
Addition on first time application of Ind AS 116	-	-	453.62
Addition during the year	-	16,354.72	-
Depreciation expense recognised in statement of profit and loss	(2,761.55)	(1,169.09)	-
Closing Balance	12,877.70	15,639.24	453.62

(iii) Changes in the Lease liabilities

	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Opening balance	17,181.13	1,204.30	-
Addition on first time application of Ind AS 116	-	-	1,204.30
Addition during the year	-	16,354.72	-
Interest accrued during the year	1,609.26	785.28	-
Payment of lease liabilities	-	-	-
Closing balance	15,322.48	17,181.13	1,204.30

The following is the break-up of current and non-current lease liabilities:-

	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Non-current	13,158.95	15,322.85	1,181.19
Current	2,163.53	1,858.27	23.11

(iv) Amounts recognised in statement of Profit and Loss account

	For the year ended	
	March 31, 2023	March 31, 2022
Short term leases	30,984.66	35,783.45
Interest expense on lease liabilities	1,609.26	785.28

(vi) Amounts recognised in statement of Cash Flows

	For the year ended	
	March 31, 2023	March 31, 2022
Total cash outflow for leases other than short term and low value leases	(3,467.90)	(1,163.17)

(vii) Maturity analysis of lease liability

	Upto 1 year	1-5 years	More than 5 years	Total Undiscounted cash flow
As at March 31, 2023	3,569.16	15,126.56	983.53	19,679.25
As at March 31, 2022	3,466.19	15,853.59	3,825.65	23,145.43
As at April 01, 2021	135.13	629.50	1,370.32	2,134.95

**Notes to the standalone financial statements
for the year ended March 31, 2023 (Contd.)**

(All amounts in INR Lakhs, unless otherwise stated)

As Lessor
(i) Operating leases

The Company during the year has leased out surplus capacity in leased assets and the total rent recognised as income during the year INR 14.04 Lakhs (March 31, 2022: INR 13.07 Lakhs) on such sub-leases.

Maturity analysis on lease payments receivable: -

	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Upto 1 year	14.04	14.04	13.07
1-5 years	4.94	18.98	33.02
More than 5 years	-	-	-

The Company has also recognised deferred lease income amounting to INR 0.36 Lakhs (March 31, 2022 INR 0.67 Lakhs and April 01, 2021 INR nil) on account of escalation clause in the lease arrangement.

(ii) Finance leases

Amounts recognised for Finance Lease in statement of Profit and loss

	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Finance income on the net investment in the lease	90.96	94.85	-

49 DISCLOSURE AS PER IND AS 115 REVENUE FROM CONTRACTS WITH CUSTOMERS
A Disaggregation of Revenue

Set out below is the disaggregation of the Company's revenue from contracts with customers into operating segment and type of product or services

Type of Product or Services	For the year ended March 31, 2023			
	Revenue as per Ind AS 115			Total as per Statement of Profit and Loss
	Domestic	Foreign	Total	
Logistics and Warehousing	42,710.82	-	42,710.82	42,710.82
Total	42,710.82	-	42,710.82	42,710.82

The revenue of Rs 42,710.82 Lakhs is recognised at point in time.

Type of Product or Services	For the year ended March 31, 2022			
	Revenue as per Ind AS 115			Total as per Statement of Profit and Loss
	Domestic	Foreign	Total	
Logistics and Warehousing	43,164.50	-	43,164.50	43,164.50
Total	43,164.50	-	43,164.50	43,164.50

The revenue of Rs 43,164.50 Lakhs is recognised at point in time.

B. Contract balances

Particulars	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Contract Asset	1,639.23	1,616.78	1,052.56
Contract liability	265.73	69.09	108.54

Notes to the standalone financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

- i) A contract asset is the right to consideration in exchange for services transferred to the customer. If the Company performs by transferring services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Movement in contract balances during the period

Particulars	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Contract asset at the Beginning of the year	1,616.78	1,052.56	-
Contract asset at the end of the year	1,639.23	1,616.78	1,052.56
Net increase/(decrease)	22.46	564.21	1,052.56

- ii) A contract liability is the obligation to transfer services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

Particulars	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Contract liabilities at the Beginning of the year	69.09	108.54	-
Contract liabilities at the end of the year	265.73	69.09	108.54
Net increase/(decrease)	196.64	(39.45)	108.54

C. Set out below is the amount of revenue recognised from:

Particulars	As at March 31, 2023	As at March 31, 2022
Amount included in contract liabilities at the beginning of the period	69.09	108.54
Performance obligation satisfied in previous period	-	-

D. Cost to obtain the contract

The Company has not incurred any incremental costs of obtaining contracts with a customer and therefore, not recognised an asset for such costs.

- 50 (a) The Ageing Schedule of Capital -work-in progress for the year ended as at March 31, 2023, March 31, 2022 and April 01, 2021 is as follows: -

CWIP	Amount in CWIP for period of				Total
	Less than 1 year	1-2 years	2-3 years	More than 3 years	
As at March 31, 2023					
Project in progress	209.76	-	-	-	209.76
Projects temporarily suspended	-	-	-	-	-
As at March 31, 2022					
Project in progress	4.67	-	-	-	4.67
Projects temporarily suspended	-	-	-	-	-
As at April 01, 2021					
Project in progress	222.19	-	-	-	222.19
Projects temporarily suspended	-	-	-	-	-

**Notes to the standalone financial statements
for the year ended March 31, 2023 (Contd.)**

(All amounts in INR Lakhs, unless otherwise stated)

(b) Completion schedule for CWIP whose completion is overdue or has exceeded its cost compared to its original plan:

CWIP	Amount in CWIP for period of				Total
	Less than 1 year	1-2 years	2-3 years	More than 3 years	
As at March 31, 2023					
Project in progress	209.76	-	-	-	209.76
Projects temporarily suspended	-	-	-	-	-
As at March 31, 2022					
Project in progress	4.67	-	-	-	4.67
Projects temporarily suspended	-	-	-	-	-
As at April 01, 2021					
Project in progress	222.19	-	-	-	222.19
Projects temporarily suspended	-	-	-	-	-

53 RELATED PARTIES DISCLOSURES:

In accordance with the requirement of Ind AS- 24 on "Related Party Disclosures" the names of the related parties where control exists along with the aggregate transactions/year end balances with them as identified and certified by the management are given below:

A) Name of related parties and description of relationship:

Associate	NDRAVG Business Park Private Limited
	NDR AVG Logistics LLP
Enterprises over which the key management personnel exercise significant influence and/or control	
Directors are partner of the firm	MA Enterprises
Director has control	PCG Logistics Private Limited
Director is partner of the Limited liability partnership	NDR AVG Logistics LLP
Director is partner of the Partnership firm	Maple Packaging and Logistics
Key management personnel (KMP)	
Managing Director	Sanjay Gupta
Women Director	Asha Gupta (wife of Sanjay Gupta)
Chief Financial Officer	Gurpreet Singh (till May 31, 2023)
Chief Operating Officer	Nagendra Kumar Sharma
Director Sales & Operations	Arun Kohli (From July 16, 2022 to December 31, 2022)
Company Secretary	Laveena Jain (till October 12, 2021)
Company Secretary	Mukesh Nagar (with effect from December 10, 2021)
Relative of key management person (KMP)	
Son of Sanjay Gupta and Asha Gupta	Vinayak Gupta
Wife of Vinayak Gupta	Anjali Gupta

Note:

- 1) Related party relationship is as identified by the Company and relied upon by the Auditors.
- 2) All Related Party Transactions entered during the year were in ordinary course of the business and on arm's length basis.

Independent Auditor's Report

To the Members of AVG Logistics Limited

Report on the Audit of the Consolidated Financial Statements

OPINION

We have audited the accompanying consolidated financial statements of AVG Logistics Limited (hereinafter referred to as the "holding Company") and its associates, which comprise the consolidated balance sheet as at March 31, 2023, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of their consolidated state of affairs of the holding Company and its associates

as at March 31, 2023, of consolidated profit and other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year then ended.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the holding Company and its associates in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by Institute of Chartered Accountant of India ("ICAI"), and the relevant provisions of the Act and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended March 31, 2023 (current year). These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No	Key Audit Matter	How the Key Audit Matter was addressed in our audit
1	<p>Revenue Recognition</p> <p>Revenue from these contracts is recognized in accordance with the requirements of Ind AS 115, Revenue from Contracts with Customers (as described in note 2.4 of the consolidated financial statements).</p> <p>The Company has long term contracts with customers, as at the year end, for all incomplete sales orders, revenue is recognized by evaluating the conditions required as per contractual terms i.e., provision of service to customer and acknowledgement of invoice. Further, revenue is recognised for the completed performance obligation which are part of the incomplete sales orders.</p>	<p>Our audit procedures in respect of this area include but are not limited to:</p> <ol style="list-style-type: none"> 1. Obtained an understanding of the systems, processes and controls implemented by management for recording and computing revenue, and the associated unbilled revenue, unearned and deferred revenue balances; 2. Assessed the appropriateness of Company's accounting policies with respect to Revenue recognition in accordance with IND AS 115 "Revenue from Contracts with Customers"; 3. Verified accuracy of the revenue recognition by selecting samples on test check basis and checking the underlying contract terms and conditions;

Independent Auditor's Report (Contd.)

Sr. No	Key Audit Matter	How the Key Audit Matter was addressed in our audit
	<p>The criteria for identification of the specific performance obligations covered by the sales order and the allocation of the transaction price to each performance obligation requires specific attention due to the judgement involved in identifying the specific performance obligation and determination of whether the agreed provision of services to customer are completed in regard to each of these obligations, as acknowledged by the customers. There is also estimation uncertainty in assessing the incomplete sales orders at the year end and identifying the completed portions of the performance obligations from these sales orders.</p> <p>Considering this we have determined Revenue Recognition to be a Key Audit Matter.</p>	<ol style="list-style-type: none"> 4. For samples selected on test check basis, evaluated, as to whether performance obligation for revenue recognition is completed as and when the service is rendered to the customer and acknowledged. Further, performed verification of proof of delivery of services completed; 5. Verification of the ageing of the unbilled revenue and testing for the subsequent acknowledgement from the customers; and 6. Verified the completeness and adequacy of disclosure in the consolidated financial statements in compliance with Ind AS 115.
2	<p>Allowance for trade receivables</p> <p>Refer to note 15 to the consolidated financial statements with respect to the disclosures of trade receivables.</p> <p>The Company has trade receivables as at March 31, 2023 amounting to Rs. 13,938.03 lakhs against which the Company has recorded allowance for trade receivables of Rs. 1,624.80 lakhs (PY Rs. 1,427.38 lakhs).</p> <p>Management creates allowance for trade receivables based on the expected credit loss model. Additionally, the Company assesses the recoverability of all the debit balances including ageing on case to case basis considering the facts and circumstances to decide on adhoc provision required.</p> <p>We have determined this matter to be key audit matter considering the materiality of the amounts and significant judgements and estimates involved regarding the allowances for trade receivables.</p>	<p>Our audit procedures in respect of this are included but not limited to:</p> <ol style="list-style-type: none"> 1. Obtained an understanding of the process from the management of the Company and tested design implementation and operating effectiveness of controls over for development and consistency of methodology for the computation of allowance for trade receivables, tested the completeness and accuracy of information used in estimation of the probability of default, loss given default and other key estimates; 2. Recomputed the ageing of the trade receivables on sample basis and traced their balances to consolidated financial statements; 3. Verified subsequent recovery of trade receivables by tracing them in the books of accounts and bank statement on test check basis; 4. Tested the management computations arising out of expected credit loss model; 5. Analysing significant judgements and estimates involved around the expected credit loss model including examining the class of receivables on which certain % based on historic trends are applied, and further assessed the adequacy of provisions made for any possible non recoveries ascertaining the risk of recoverability or delayed payments, etc; 6. Assessed the basis of management's judgement regarding specific allowance made against aged balances which are considered to be unrecoverable; and 7. Verified the completeness and adequacy of disclosure in accordance with the requirements of the relevant Ind AS.

Independent Auditor's Report (Contd.)

Sr. No	Key Audit Matter	How the Key Audit Matter was addressed in our audit
3	<p>Impairment of assets</p> <p>Refer to note 2.13 to the consolidated financial statements.</p> <p>The Company has a warehouse at Agartala, Tripura having carrying value amounting to Rs. 984.10 lakhs as at March 31, 2023. This warehouse has been capitalised in the financial year 2020-21 and has not been operational since its capitalisation.</p> <p>Since the warehouse is not operational management would need to assess the impairment by using key estimates including useful life of the building, its fair value, and method of computation of the fair value. We have determined this matter to be key audit matter considering the materiality of the amounts and significant judgements and estimates involved regarding the impairment of the warehouse.</p>	<p>Our audit procedures in respect of this are included but not limited to:</p> <ol style="list-style-type: none"> 1. Obtained an understanding of the systems, processes and control implemented by management for assessment and recording for impairment of assets; 2. Assessment of the Company's accounting policies with respect to impairment in accordance with Ind AS 36 "Impairment of assets"; 3. Enquired into the reasons for non-operation of the warehouse since capitalization and assessed them for any impairment indicators; 4. Obtained the fair valuation report of the management's expert for the fair valuation of the warehouse; 5. Involved auditor's expert to assess the appropriateness of the key assumptions and estimates used by the valuers in determination of the fair value of warehouse (such as, useful life of the building, its fair value, and method of computation of the fair value, discount rates, etc.); and 6. Assessed the appropriateness of disclosures in accordance with the requirements of Ind AS 36 "Impairment of assets".
4	<p>Lease accounting</p> <p>Refer to note 2.5 and 48 to the consolidated financial statements. The Company has taken certain premises for warehousing and other commercial purposes. Pursuant to adoption of Ind AS, the Company w.e.f. April 1, 2021 has used the retrospective approach for transition as per Ind AS 116 (leases), wherein the lease liability has been measured at present value of the remaining lease payments at the date of initial application (i.e., April 1, 2021) and discounted using the incremental borrowing rate at the date of initial application.</p>	<p>Our audit procedures in respect of this area include but are not limited to:</p> <ol style="list-style-type: none"> 1. Obtained an understanding of the processes and control implemented by management in relation to accounting of leases; 2. Reviewed the management process in relation to application of key lease terms in lease contracts, reasonableness of the key assumptions used for the purpose of lease accounting, and assessed the appropriateness of the accounting policy in accordance with Ind AS 116 'Leases'; 3. Verified the accuracy of the underlying lease data by agreeing a representative sample of leases to original contract or other supporting information, and verified the integrity and arithmetic accuracy of the calculations for each lease sampled through recalculation of the expected Ind AS 116 adjustment; 4. Assessed the appropriateness of the assumptions applied to determine the discount rates for the lease accounting;

Independent Auditor's Report (Contd.)

Sr. No	Key Audit Matter	How the Key Audit Matter was addressed in our audit
	<p>As a result of such adoption, Company has recognized lease liability amounting to Rs. 15,322.48 lakhs and Right-of-use asset amounting to Rs. 12,877.70 lakhs as at March 31, 2023. Further during the year, Company has recognised rent expense of Rs. 3,550.97 lakhs, interest expense on lease liability Rs. 1,609.26 lakhs and depreciation on Right-of-use assets Rs. 2,761.55 lakhs in the statement of profit and loss for the year ended March 31, 2023.</p> <p>Management has used several judgements like determination of leases, lease term, use of practical expedients and discount rates over each lease contract and have applied estimates during lease accounting. Considering the materiality of the amounts involved, and the significant judgements and estimates used by management in the lease recognition and accounting, this matter has been identified as a key audit matter.</p>	<ol style="list-style-type: none"> 5. Assessed the appropriateness of lease rentals and lease escalations used in computations of Right-of-use asset and corresponding lease liability for the entire lease tenure supported by the agreements with the lessor; 6. Assessed the appropriateness of leases excluded from the scope of Ind AS-116 being short term leases or leases for which underlying asset is of low value; 7. Ensured that the accounting treatment including the transition provisions adopted by the Company are in accordance with the provisions of Ind-AS 116; and 8. Assessed the adequacy and appropriateness of the disclosures made in the consolidated financial statements is in accordance with the applicable Indian accounting standards.

INFORMATION OTHER THAN THE CONSOLIDATED FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The holding Company's Board of Directors is responsible for the other information. The other information comprises the annual report but does not include the consolidated financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 'The Auditor's responsibilities Relating to Other Information'.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the holding Company and its associates in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the holding Company and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the holding Company and of its associates and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from

Independent Auditor's Report (Contd.)

material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the holding Company and of its associates are responsible for assessing the ability of the holding Company and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the holding Company and its associates or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the holding Company and of its associates are responsible for overseeing the financial reporting process of the holding Company and of its associates.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing ("SAs") will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Consolidated Financial Statements.

OTHER MATTERS

a. The financial statements includes the unaudited financial statements of one associate, whose financial statements reflect holding Company's share of total net profit after tax of Rs. 47.86 lakhs and holding Company's share of total comprehensive income of nil for the period from April 01, 2022 to March 31, 2023, as considered in the financial statements. These unaudited financial statements have been furnished to us by the management and our opinion on the financial statements, in so far as it relates to the amounts and disclosures included in respect of this associate is based solely on such unaudited financial statements. In our opinion and according to the information and

explanations given to us by the management, these financial statements are not material to the holding Company's.

Our opinion is not modified with respect to the financial statements certified by the Management.

b. One associate's financial statements have been prepared in accordance with the accounting standards issued by the Institute of Chartered Accountants of India and which have been audited by the other auditor. The holding Company's Management has converted the financial statements of the aforementioned associate form Accounting Standards issued by the Institute of Chartered Accountants of India to Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended for consolidation.

We have audited these conversion adjustments made by the holding Company's Management. Our opinion on the financial statements, in so far as it relates to the financial statements of such associate is based on the audit report of other auditor and the conversion adjustments prepared by the management of the holding Company.

Our opinion is not modified in respect of the above matter.

c. The financial statements includes the audited financial statements of one associate, whose financial statements reflect holding Company's share of total net loss after tax of Rs. 0.17 lakhs and holding Company's share of total comprehensive income of nil for the year ended March 31, 2023, as considered in the financial statements, which have been audited by the other auditor whose reports on financial statements of this entity have been furnished to us and our opinion on the financial statements, in so far as it relates to the amounts and disclosures included in respect of this entity, is based solely on the report of such auditor and the procedures performed by us are as stated in paragraph above.

Our opinion is not modified is respect of the para b above with respect to our reliance on the work done and report of the other auditor.

d. The comparative financial information of the holding Company and its associates for the year ended March 31, 2022 and the transition date opening balance sheet as at April 01, 2021 included in these consolidated financial statements are based on the previously issued statutory financial statements prepared in accordance

Independent Auditor's Report (Contd.)

with the Companies (Accounting Standards) Rules, 2021, specified under Section 133 and other relevant provisions of the Act for the year ended March 31, 2022 and March 31, 2021 on which we issued an unmodified audit opinion vide our reports dated June 06, 2022 and October 27, 2021 respectively on those consolidated financial statements, as adjusted for the differences in the accounting principles adopted by the Company on transition to the Ind AS, which have also been audited by us.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books except that the Company has not maintained daily back-up of books of accounts and other books and papers maintained in electronic mode in a server physically located in India.
 - c. The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flow dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d. In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors of the holding Company as on March 31, 2023 taken on record by the Board of Directors of the holding Company, none of the directors of the holding Company and its associates are disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of internal financial controls with reference to consolidated financial statements of the holding Company and its associates and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. There were no pending litigations which would impact the consolidated financial position of the holding Company and its associates.
 - ii. The holding Company and its associates did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the holding Company and its associate Company and LLP incorporated in India.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the holding Company and its associates to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the holding Company

Independent Auditor's Report (Contd.)

- ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of it's knowledge and belief, no funds have been received by holding Company and its associates from any persons or entities, including foreign entities (Funding Parties), with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the holding Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, and according to the information and explanations provided to us by the Management in this regard nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material mis-statement.
- v. The holding Company has neither declared nor paid any dividend during the year.
- vi. As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the holding Company and its associate Company and LLP only w.e.f. April 1, 2023, reporting under this clause is not applicable.
2. In our opinion, according to information, explanations given to us, the remuneration paid by the holding Company and its associates to its directors is within the limits laid prescribed under Section 197 of the Act and the rules thereunder.
3. The reporting under CARO is not applicable since we have consolidated the unaudited and management furnished financial statements of one of the associate Company to which reporting under CARO is applicable. Accordingly, no comment in respect of the said Clause has been included in the report.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF AVG LOGISTICS LIMITED

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the holding Company and its associates has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the holding Company and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the holding Company and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the holding Company and its

associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended March 31, 2023 (current year) and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF AVG LOGISTICS LIMITED

[Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of AVG Logistics Limited on the consolidated financial statements for the year ended March 31, 2023]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

OPINION

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2023, we have audited the internal financial controls with reference to consolidated financial statements of AVG Logistics Limited (hereinafter referred to as "the holding Company") and its associate Company and limited liability partnership (LLP), which are incorporated in India, as of that date.

In our opinion, and to the best of our information and according to the explanations given to us, the holding Company, its associate Company and LLP, which are incorporated in India, have, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2023, based on the internal financial controls with reference to consolidated financial statements criteria established by the respective Company and LLP considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI) (the "Guidance Note").

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of the holding Company, its associate Company and LLP, which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to consolidated financial statements criteria established by the respective Company and LLP considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the

accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the holding Company, its associate Company and LLP, which are incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements of the holding Company, its associate Company and LLP, which are incorporated in India.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO CONSOLIDATED FINANCIAL STATEMENTS

A Company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance

Annexure B (Contd.)

with generally accepted accounting principles. A Company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the consolidated financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO CONSOLIDATED FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of

changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OTHER MATTER

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to one associate (i.e. LLP) which is incorporated in India, is based on the corresponding report of the auditors of such LLP on which internal financial control over financial reporting is not applicable and one associate company, which is incorporated in India whose unaudited financial statements have been furnished to us by the management.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS

1 CORPORATE INFORMATION/BACKGROUND

AVG Logistics Limited ('the Parent' or 'the Holding Company') was incorporated on January 25, 2010 under the Companies Act, 1956. The main objects of the Holding Company are transportation of goods, warehousing and other incidental activities there to. The Holding Company is also involved in trading business. The registered office of the Holding Company is situated in New Delhi. The Holding Company's equity shares got listed on April 11, 2018 on NSE-SME platform. The Equity Shares of the Holding Company were listed on National Stock Exchange of India Limited ('NSE') and BSE Limited ('BSE') on May 12, 2023. The IndAS financial statements for the year ended March 31, 2023 were approved by the Board of Directors on June 03, 2023.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

In accordance with the notification issued by the Ministry of Corporate Affairs, the Holding Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April 01, 2021. In accordance with Ind AS 101 First-time Adoption of Indian Accounting Standards, the Holding Company has presented a reconciliation from the presentation of financial statements under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") to Indian Accounting Standards (Ind AS) read with Companies (Indian Accounting Standards) Rules, 2015 of shareholders' equity as at March 31, 2022 and April 01, 2021 and of the total comprehensive income for the year ended March 31, 2022. These financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013 (the "Act").

2.1 Basis of preparation of Financial Statements and Statement of Compliance with Ind AS

The consolidated financial statements along with its associate have been prepared in accordance with Indian Accounting Standard as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under section 133 of the Companies Act, 2013 (the 'Act').

2.2 Basis of Consolidation

a) Investments in group entities are accounted for using equity method in accordance with Indian

Accounting Standard (Ind AS) 28 - "Investments in Associates and Joint Ventures". Accordingly, the share of profit/ loss of each of the group entity (the loss being restricted to the cost of investment) has been added to/ deducted from cost of investments.

b) The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Holding Company's separate financial statements.

Following associate company and enterprise has been considered in the preparation of Consolidated Financial Statements:

Name of the Entity	Country of Incorporation	% ownership interest	
		As at March 31, 2023	As at March 31, 2022
NDR AVG Business Park Private Limited	India	35%	35%
NDR AVG Logistics LLP	India	30%	30%

2.3 Basis of measurement

The consolidated financial statements along with its associates have been prepared on accrual basis and the historical cost basis as a going concern except for financial instruments that are measured at fair values or at amortised cost, wherever applicable, at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Holding Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosure purposes in this financial statement is determined on such basis, except for share-based payment transactions that are within

Notes to the consolidated financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- * Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- * Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- * Level 3 inputs are unobservable inputs for the asset or liability.

The consolidated financial statements are prepared in Indian Rupee (INR) and denominated in Lakhs.

The principal accounting policies are set out below.

2.4 Inventories

Inventories are valued at lower of cost and net realisable value. The cost is determined on first in first out basis and includes all charges incurred for bringing the inventories to their present condition and location. Net realisable value is the estimated selling price in the ordinary course of business, less estimated cost necessary to make sale.

2.5 Revenue recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer, at an amount that reflects the consideration to which the Holding Company expects to be entitled in exchange for those goods or services. The Holding Company has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods or services before transferring them to the customer.

2.5.1 Rendering of services

Incomes from logistics services rendered are recognised on the completion of the services as per the terms of contract. Revenue is recognised at the fair value of consideration received or receivable, to the extent that it is probable that

the economic benefits will flow to the Holding Company and the revenue can be reliably measured.

2.5.2 Warehouse Income

Warehouse rental income is recognised on a straight-line basis over the period of the lease agreements.

2.5.3 Other income

Dividend income from investments is recognised when the right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Holding Company and the amount of income can be measured reliably).

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Holding Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

2.6 Leasing

At inception of a contract, the Holding Company assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Holding Company assesses whether:

- * The contract involves the use of an identified asset - this may be specified explicitly or implicitly and should be physically distinct or represent substantially all of the capacity of a physically distinct asset. If the lessor has a substantive substitution right, then the asset is not identified.
- * The Holding Company has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use; and
- * The Holding Company as a lessee has the right to direct the use of the asset. The Holding Company has this right when it has the decision-making rights

Notes to the consolidated financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

that are most relevant to changing how and for what purpose the asset is used. In rare cases where the decision about how and for what purpose the asset is used is predetermined, the Holding Company has the right to direct the use of the asset if either:

- a) the Holding Company as a lessee has the right to operate the asset; or
- b) the Holding Company as a lessee designed the asset in a way that predetermines how and for what purpose it will be used.

This policy is applied to contracts entered into, or modified, on or after April 01, 2021.

As a lessee

The Holding Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use assets are subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at amortised cost at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, using the incremental borrowing rate. The ROU of assets has been created on the basis of lock in period of lease agreement more than 12 months.

It is re-measured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Holding Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Holding Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying

amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Short-term leases and leases of low-value assets

The Holding Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Holding Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

As a lessor

When the Holding Company acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease.

Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Holding Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

The Holding Company recognises lease payments received under operating leases as income on a straight-line basis over the lease term as part of 'other income'.

As a lessee

Operating leases

The Holding Company has elected not to apply the requirements of Ind AS 116 to leases which are expiring within 12 months from the date of transition by class of asset and leases for which the underlying asset is of low value on a lease-by-lease basis. The Holding Company has also used the practical expedient provided by the standard when applying Ind AS 116 to leases previously classified as operating leases under Ind AS 17 and therefore, has not reassessed whether a contract, is or contains a lease, at the date of initial application, relied on its assessment of whether leases are onerous, applying Ind AS 37 immediately before the date of initial application as an alternative to performing an impairment review, excluded initial direct costs from measuring the right of use asset at the date of initial application and used hindsight when determining the lease term if the contract contains

Notes to the consolidated financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

options to extend or terminate the lease. Single discount rate to a portfolio of leases with similar characteristics.

On application of Ind AS 116, the nature of expenses has changed from lease rent in previous periods to depreciation cost for the right-to-use asset, and finance cost for interest accrued on lease liability.

In case of sub - leases

- I. When the intermediate lessor enters into a sublease, the intermediate lessor (other than operating lease) :
 1. Derecognises the ROU asset relating to the head lease that it transfer to the sublessee and recognises the net investment in the sublease.
 2. Recognises any difference between the ROU asset and the net investment in the sublease in profit or loss.
 3. Retains the lease liability relating to the head lease in its balance sheet, which represent the lease payments owned to the head lessor.

During the term of the sublease, the intermediate lessor recognises both

- Finance income on the sublease and
- Interest expenses on the head lease.

- II. When the intermediate lessor enters into a sublease, the intermediate lessor (operating lease):
 - There would be same treatment as in case of finance lease.

2.7 Foreign currencies

Initial recognition

In preparing the financial statements of the Holding Company, transactions in currencies other than the entity's functional currency of Indian Rupees (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions.

Conversion

- (a) Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

- (b) Non-monetary items, if any are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange differences

The Holding Company accounts for exchange differences arising on translation/settlement of foreign currency monetary items as below:

- a. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.
- b. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

2.8 Borrowing costs

Borrowing Cost that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to revenue in the year of incurrence. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.9 Employee benefits

2.9.1 Retirement benefit costs and termination benefits

i. Defined contribution plan:

Holding Company's contributions paid/payable during the year to the superannuation fund, ESIC, provident fund and labour welfare fund are recognised in the Statement of Profit and Loss.

ii. Defined benefits plan:

For defined retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement,

Notes to the consolidated financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in Other Comprehensive Income in the period in which they occur. Remeasurement recognised in Other Comprehensive Income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows.

- a. Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- b. Net interest expense or income; and
- c. Remeasurement

The Holding Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the Balance Sheet represents the actual deficit or surplus in the Holding Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

2.9.2 Short-term and other long-term employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Holding Company in respect of services provided by employees up to the reporting date.

Compensated Absences

Accumulated compensated absences, which are availed or encashed within 12 months from the end of the year end are treated as short term employee benefits. The obligation towards the same is measured at the cost of accumulating compensated absences as the additional amount to be paid as a result of the unused entitlement as at the year end.

2.10 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

2.10.1 Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'Profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Holding Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

2.10.2 Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities are recognised for taxable temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the

Notes to the consolidated financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

Holding Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Holding Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

2.10.3 Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in Other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognised in Other Comprehensive Income or directly in equity respectively.

2.11 Property, plant and equipment

All items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost of acquisition is inclusive of purchase price, levies and any directly attributable cost of bringing the assets to its working condition for the intended use. Subsequent costs are included in the asset's carrying amount or recognised as separate asset, as appropriate, only when it is probable that the future economic benefits associated with the item will flow to the Company and cost of the item can be measured reliably. The carrying amount

of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation on tangible assets is charged by the Straight Line Method (SLM) in accordance with the useful lives specified in Part - C of Schedule II of the Companies Act, 2013 on a pro-rata basis except in the case of:

The carrying amount is calculated after reducing 5% of the value of property, plant and equipment as residual value. The Holding Company has used following useful lives to provide depreciation of different class of its property, plant and equipment

Particulars	Useful life (in years)
Computer	3
Building – RCC frame structure	60
Building – other than RCC frame structure	30
Furniture and fixtures	10
Office equipment	5
Vehicle	8
Trucks (till September 30, 2020)	6
Trucks (w.e.f. October 01, 2020)	10

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

On transition to Ind AS, the Holding Company has elected to continue with the carrying value of all of its property, plant and equipment measured as per the Previous GAAP as at April 01, 2021 as its deemed cost on the date of transition.

2.12 Intangible assets

2.12.1 Intangible assets acquired separately

The useful lives of intangible assets are assessed as either finite or infinite. Intangible assets with

Notes to the consolidated financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

2.12.2 Useful lives of intangible assets

The expenditure incurred is amortised over three financial years equally commencing from the year in which the expenditure is incurred.

Particulars	Useful life (in years)
Computer Software	
-- ERP	3
-- Other than ERP	3

2.13 Impairment of tangible and intangible assets

The management of the Holding Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the management estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and recognised in the Statement of Profit and Loss. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost. A reversal of an impairment loss is recognised immediately in profit or loss.

2.14 Impairment of investments

The Holding Company assesses impairment of investments in subsidiaries, associates and joint ventures which are recorded at cost. At the time when there are any indications that such investments have suffered a loss, if any, is recognised in the statement of Profit and Loss. The recoverable amount requires estimates of operating margin, discount rate, future growth rate, terminal values, etc. based on management's best estimate.

2.15 Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Holding Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Holding Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Holding Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

2.16 Financial instruments

Financial assets and financial liabilities are recognised when Holding Company becomes a party to the contractual provisions of the instruments

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

2.17 Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a settlement date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety at either amortised cost

Notes to the consolidated financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

or fair value, depending on the classification of the financial assets.

2.17.1 Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortised cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition)

- i. the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and”
- ii. the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.”

For the impairment policy on financial assets measured at amortised cost

Investments in subsidiaries: All investments in subsidiaries are valued at cost.

All other financial assets are subsequently measured at fair value.

2.17.2 Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognised in profit or loss and is included in the “Other income” line item.

2.17.3 Financial assets at fair value through profit and loss

Investments in equity instruments are classified as at FVTPL, unless the Holding Company irrevocably elects on initial recognition to present

subsequent changes in fair value in Other Comprehensive Income for investments in equity instruments which are not held for trading.

A financial asset that meets the amortised cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognising the gains and losses on them on different bases.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the ‘Other Income’ line item. Dividend on financial assets at FVTPL is recognised when the Holding Company’s right to receive the dividend is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be measured reliably.

2.17.4 Impairment of financial assets

The Holding Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, trade receivables, other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Holding Company in accordance with the contract and all the cash flows that the Holding Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit-impaired financial assets).

The Holding Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has

Notes to the consolidated financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

increased significantly since initial recognition.

When making the assessment of whether there has been a significant increase in credit risk since initial recognition, the Holding Company uses the change in the risk of a default occurring over the expected life of the financial instrument instead of the change in the amount of expected credit losses. To make that assessment, the Holding Company compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18, the Holding Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Holding Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

2.17.5 Derecognition of financial assets

The Holding Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Holding Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Holding Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Holding Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Holding Company continues to recognise the financial asset and also recognises a collateralised borrowing for the

proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in Other Comprehensive Income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g. when the Holding Company retains an option to repurchase part of a transferred asset), the Holding Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in Other Comprehensive Income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in Other Comprehensive Income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

2.17.6 Financial Liability:

Financial liabilities are classified and measured at amortised cost or FVTPL"

a) Initial Recognition and Subsequent measurement:

- Financial liabilities through fair value through profit or loss (FVTPL): A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in Statement of Profit and Loss.

Notes to the consolidated financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

- Financial liabilities at amortised cost: Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Statement of Profit and Loss.

Interest bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximates fair value due to the short maturity of these instruments.

b) Financial guarantee liability:

Financial guarantee contracts issued by the Holding Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument.

2.17.7 Foreign exchange gains and losses

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period.

- For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange differences are recognised in profit or loss except for those which are designated as hedging instruments in a hedging relationship.
- Changes in the carrying amount of investments in equity instruments at FVTOCI relating to changes in foreign currency rates are recognised in Other Comprehensive Income.
- For the purposes of recognising foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortised cost. Thus, the exchange differences on the amortised

cost are recognised in profit or loss and other changes in the fair value of FVTOCI financial assets are recognised in Other Comprehensive Income.

2.18 Financial liabilities and equity instruments

2.18.1 Classification as debt or equity

Debt and equity instruments issued by Holding Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

2.18.2 Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by Holding Company entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Holding Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Holding Company's own equity instruments.

2.18.3 Financial liabilities

All financial liabilities are subsequently measured at amortised cost.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Notes to the consolidated financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

2.19 Segment accounting:

The CEO monitors the operating results of the business segments separately for the purpose of making decisions about the allocation of resources and performance assessment. Segment performance is measured based on profit or loss and is measured consistently with profit or loss in Financial Statements.

Identification of operating segments

The operating segments have been identified based on its services and has two reportable segments, as follows:

- i. Supply Chain Management - Goods transportation service including warehouse management service.
- ii. Trading Business

Accounting of Operating Segments

Accounting policies adopted for segment reporting are in line with the accounting policies of the Holding Company. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenues and expenses, which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis and inter-segment revenue and expenses, have been included under "Unallocated Corporate Expenses/ Eliminations".

2.20 Earnings per share:

Basic and diluted earnings per share is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of Equity Shares outstanding during the year, in accordance with Ind AS 33.

3 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Holding Company's accounting policies, which are described in note 2, the management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting

estimates are recognised in the period in which the estimate is revised if the revision affects only the period of the revision and future periods if the revision affects both current and future periods.

The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

(i) Useful lives of property, plant and equipment

As described in note 2.11 above, the Holding Company reviews the estimated useful lives of Property, Plant and Equipment at the end of each annual reporting period.

(ii) Defined benefit plans

The cost of the defined benefit plans and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making assumptions that may differ from actual developments in the future. These include the determination of discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(iii) Fair value of financial assets and liabilities and investments

The Holding Company measures certain financial assets and liabilities on fair value basis at each balance sheet date or at the time they are assessed for impairment. Fair value measurement that are based on significant unobservable inputs (Level 3) requires estimates of operating margin, discount rate, future growth rate, terminal values etc. based on management's best estimate about future developments.

(iv) Leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Holding Company makes an assessment on the expected lease term on a lease-by lease basis and there by

**Notes to the consolidated financial statements
for the year ended March 31, 2023 (Contd.)**

(All amounts in INR Lakhs, unless otherwise stated)

assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Holding Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

(v) Trade receivables

The Holding Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Holding Company has considered subsequent recoveries, past trends, credit risk profiles of the customers based on their industry, macroeconomic forecasts and internal and external information available to estimate the probability of default in future and has taken into account estimates of possible effect from the pandemic relating to COVID-19.

**4 STANDARDS (INCLUDING AMENDMENTS) ISSUED
BUT NOT YET EFFECTIVE**

The Ministry of Corporate Affairs has vide notification dated March 31, 2023 notified Companies (Indian Accounting Standards) Amendment Rules, 2023 (the 'Rules') which amends certain accounting standards, and are effective April 01, 2023:

Ind AS 1 - Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements.

Ind AS 12 - Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences.

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty.

None of the amendments notified by MCA which are applicable from April 01, 2023 are expected to have any material impact on the financial statements of the Holding Company.

Notes to the consolidated financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

5 DISCLOSURE PURSUANT TO IND AS 101 "FIRST TIME ADOPTION OF INDIAN ACCOUNTING STANDARDS"

First time adoption of Ind AS

The Holding Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015. The Holding Company has adopted Ind AS with a transition date of April 01, 2021. Accordingly, financial statements for the year ended March 31, 2023 together with the comparative information for the year ended March 31, 2022 and opening Ind AS balance sheet as at April 01, 2021 have been prepared in accordance with accounting policies as set out in Note 2 - "Significant accounting policies".

The Holding Company has prepared its opening Ind AS balance sheet as at April 01, 2021 by recognising assets and liabilities whose recognition is required by Ind AS, derecognising assets and liabilities which are not permitted by Ind AS, reclassifying assets and liabilities as required by Ind AS, and applying Ind AS measurement principles, subject to certain optional exemptions and mandatory exceptions. The resulting difference between the carrying values of the assets and liabilities as at the transition date under Ind AS and Previous GAAP have been adjusted directly against "Other Equity".

The effect of the transition to Ind AS on Holding Company's financial position, financial performance and cash flows is set out below.

(a) Optional exemptions and mandatory exceptions

The Holding Company has availed the following optional exemptions and mandatory exceptions on first time adoption of Ind AS as per Ind AS 101.

(i) Optional exemptions

Deemed cost for property, plant and equipment (PPE) and intangible assets (IA)

Previous GAAP carrying value to be considered as 'deemed cost' as on transition date for property, plant and equipment and intangible assets.

Leases

The Holding Company has opted to determine, whether a contract or arrangement existing at the date of transition contains a lease /sub-lease on the basis of facts and circumstances of each cases existing at the date of transition rather than at the inception of the arrangement.

Investments in joint ventures

Designation of investment in equity instruments

The Holding Company has opted to designate equity investments as at deemed cost in its opening Ind AS financial for its investment in the joint ventures based on the facts and circumstances existing at the date of transition to Ind AS rather than at initial recognition.

(ii) Mandatory exceptions

Classification and measurement of financial assets

The Holding Company has assess and determined the classification and measurement of financial assets on the basis of the facts and circumstances existing at the date of transition.

The following reconciliations provides the effect of transition to Ind AS from Indian GAAP in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards: -

(f) Impact of Ind AS adoption on cash flow statements for the year ended March 31, 2022

	Indian GAAP*	Adjustments	Ind AS
Net cash flow from operating activities			
Net cash flow from investing activities	2,847.97	40.92	2,888.89
Net cash flow from financing activities	(2,370.95)	(48.27)	(2,419.22)
	(593.72)	5.33	(588.39)
Net increase / (decrease) in cash and cash equivalents	(116.70)	(2.02)	(118.72)
Cash and cash equivalents as at April 01, 2021	337.10	-	337.10
Cash and cash equivalents as at March 31, 2022	220.40	(2.02)	218.38

* The Indian GAAP figures have been reclassified to conform to Ind AS presentation requirements for the purpose of this note.

(g) Analysis of changes in cash and cash equivalent for the purpose of statement of cash flows under Ind AS:

	As at March 31, 2022	As at April 01, 2021
Cash and cash equivalents as per Indian GAAP	218.38	337.10
Adjustments:		
Reclassification of fixed deposit for less than 3 Months of maturity	-	-
Cash and cash equivalents as per Ind AS	218.38	337.10

(h) Notes:

i. Under Ind AS financial assets and liabilities are measured at fair value at the inception and subsequently at amortised cost or at fair value based on their classification. Under I-GAAP the financial assets and liabilities were measured at cost net of allowance.

ii. IndAS 116

Right-of-use assets

Under previous GAAP, there is no such provision for creation of Right-of-use assets. As per the provision of Ind As 116, Holding Company has to create Right-of-use assets. At date of transition, the Holding Company have

Notes to the consolidated financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

lease agreement where Company is lessee. Thus as per the requirement of Ind As 116, the Holding Company has recognised Right-of-use assets and corresponding has recognised lease liability. Therefore Right-of-use assets amounting INR 421.33 as at April 01, 2021 (INR 15,639.24 as at March 31, 2022) has recognised. Right-of-use assets amounting INR 0.47 as at April 01, 2021 has recognised on account of Security Deposit given.

Right-of-use assets amounting INR 31.82 as at April 01, 2021 (INR 30.19 as at March 31, 2022) has recognised on account of reclassification of leasehold land from Property plant and equipment.

Under previous GAAP, there is no such provision for creation of net investment on sublease. As per the provision of Ind As 116, Holding Company has to create Net investments on sublease in the nature of finance lease. Thus as per the requirement of Ind As 116, the Holding Company has recognised Net investments on sublease as at April 01, 2021 amounting INR 967.62 by derecognition of Right-of-use assets amounting INR 782.97 and corresponding adjustment in retained earnings by INR 184.65. There is net decrease in Net investments on sublease by INR 27.21 due to recognition of unearned finance income and reversal of net investment on sublease on account of receipt of rent payments.

As per Ind AS 116, Deferred lease income w.r.t sublease in the nature of finance lease, recognised under previous GAAP has been derecognised by corresponding adjustment in retained earnings by INR 192.93 as at April 01, 2021 (INR 208.89 as at March 31, 2022)

Correspondingly, depreciation amounting to INR 1167.59 has been charged to profit and loss statement for the period ended on March 31, 2022)

Lease liability

Under previous GAAP lease is recognised on straight lines basis .As per the provision of Ind AS corresponding to Right-of-use assets, lease liability of INR 1,204.30 as at April 01, 2021 (INR 17,181.13 as at March 31, 2022) has been recognised. Correspondingly, interest on lease liability of INR 785.28 has been booked and payment of leases rental amounting INR 1,163.17 has been paid for the year ended on March 31, 2022.

Difference on date on transition between Rights of use assets and lease liability has been transferred to retained earnings.

iii. Security deposit

Under Indian GAAP, interest-free security deposit (that are payable in cash on completion of the lease term) are recorded at their transaction value. Under Ind AS, all financial liabilities are required to be recognised at fair value. Accordingly the Holding Company has fair valued these security deposits under Ind AS. Difference between the fair value and transaction value of the security deposit has been recognised as deferred income. Consequently, the amount of security deposit as on March 31, 2022 has been decreased by INR (April 01, 2021: INR 31.18) with a corresponding increase in deferred income. The income for the year ended March 31, 2022 and retained earnings as on April 01, 2021 has been increased by INR 3.05 and INR Nil, respectively due to unwinding of deferred income. Unwinding of deferred income in statement profit or loss is partially off-set by the notional interest expense of INR 1.86 during the year ended March 31, 2022 and in retained earnings by INR Nil as on April 01, 2021 with corresponding increase in security deposit.

Under Indian GAAP, as on March 31, 2022 the Holding Company has classified 77.50 (April 01, 2021: INR Nil) as short term security deposit. Under Ind AS, as on March 31, 2022 short-term security deposits includes deposits which were measured at amortised cost due it long-term nature in the previous years. However, in current year the same has been classified as short-term as they will be settled within 12 months from the end of March 31, 2022.

**Notes to the consolidated financial statements
for the year ended March 31, 2023 (Contd.)**

(All amounts in INR Lakhs, unless otherwise stated)

iv. Lease equalisation reserve

Lease equalisation reserve has been decreased with a corresponding adjustment in retained earnings as of April 01, 2021 by INR 344.39 (INR 411.90 as at March 31, 2022) pursuant to adoption of Ind AS. The income for the year ended March 31, 2022 has been increased by INR 67.51 due to reversal of lease equalisation reserve.

Deferred tax

- v. Under Previous GAAP, deferred taxes were accounted basis the income statement approach which required creation of deferred tax asset/liability on temporary differences between taxable income and accounting income. Under Ind AS, deferred taxes are accounted basis the balance sheet approach which requires creation of deferred tax asset/liability on temporary differences between the carrying amount of an asset/liability in the Balance Sheet and its corresponding tax base. Application of Ind AS has also resulted in recognition of deferred taxes on new temporary differences arising due to adjustments made on transition to Ind AS.

Defined benefit liabilities

- vi. Both under Indian GAAP and Ind AS, the Holding Company recognised costs related to its post-employment defined benefit plan on an actuarial basis. Under Indian GAAP, the entire cost, including actuarial gains and losses, are charged to Statement of Profit and Loss. Under Ind AS, re-measurements comprising of actuarial gains and losses are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI. Thus the employee benefit cost for the year ended March 31, 2022 is reduced by INR 3.06 and re-measurement gains/ losses on defined benefit plans of the corresponding amount has been recognised in the OCI, net of taxes.
- vii. The previous year IGAAP figures have been reclassified/ regrouped to make them comparable with Ind AS presentation.

Notes to the consolidated financial statements for the year ended March 31, 2023 (Contd.)

(c) Terms/ rights attached to equity shares

The Holding Company has only one class of equity shares having par value of INR 10 per share. Each shareholder is entitled to one vote per share held. The Holding Company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to approval of the shareholders in ensuing Annual General Meeting, except in the case where interim dividend is distributed. However, the Holding Company has not distributed any dividend during the current year and previous year.

In the event of liquidation of the Holding Company, the holders of equity shares will be entitled to receive remaining assets of the Holding Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

**Notes to the consolidated financial statements
for the year ended March 31, 2023 (Contd.)**

(All amounts in INR Lakhs, unless otherwise stated)

- (d) No class of shares have been allotted as fully paid up pursuant to contract without payment being received in cash, allotted as fully paid up by way of bonus shares or bought back by the Holding Company during the period.
- (e) The Holding Company issued 1,477,271 equity shares of INR 10 each at a premium of INR 34 each, total amounting INR 650 Lakhs under preferential allotment dated August 29, 2020. The amount has been raised and utilised for working capital purposes.

Net deferred tax assets/(liabilities)	(0.21)	(330.40)	330.19

**Notes to the consolidated financial statements
for the year ended March 31, 2023 (Contd.)**

(All amounts in INR Lakhs, unless otherwise stated)

40 EARNINGS PER SHARE

Basic earnings per share amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year. The Holding Company does not have any outstanding potential equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

	For the year ended March 31, 2023	For the year ended March 31, 2022
Profit after tax attributable to equity shareholders (amount in INR Lakhs)	834.36	96.10
Basic and diluted average equity shares (in numbers)	1,17,75,271.00	1,17,75,271.00
Nominal value of equity shares (in INR absolute numbers)	10.00	10.00
Basic and diluted earning per share (in INR absolute numbers)	7.09	0.82

41 CONTINGENT LIABILITIES

	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Bank guarantee	991.00	978.33	578.44
	991.00	978.33	578.44

42 CAPITAL AND OTHER COMMITMENTS

	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Capital commitments *	159.01	0.92	18.53

*Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances).

43 DISCLOSURE PURSUANT TO INDIAN ACCOUNTING STANDARD (IND AS) 108 "OPERATING SEGMENTS"
a. Basis of identifying operating segments:

Operating segments are identified as those components of the Holding Company (a) that engage in business activities to earn revenues and incur expenses (including transactions with any of the Holding Company's other components; (b) whose operating results are regularly reviewed by the Chief Operating Decision Maker (CODM) to make decisions about resource allocation and performance assessment; and (c) for which discrete financial information is available.

Primary segment

The Holding Company has acquired the logistics business segment of PCG Logistics Private Limited, on April 30, 2022 for a consideration of INR 327.80 Lakhs which has been recognised in the books as intangibles assets. This acquisition has resulted in the expansion of the Holding Company's operations and the acquisition of new retail customers.

The Holding Company is primarily engaged in the business of logistics which constitutes a single business segment and accordingly disclosure requirements of Ind AS 108 'Operating Segments' are not required to be given. As defined in Ind AS 108, the Chief Operating Decision Maker (CODM), i.e. the Board of Directors, evaluates the performance of the Holding Company and allocates resources based on the analysis of the various performance indicators or the Holding Company as a single unit.

	For the year ended March 31, 2023	For the year ended March 31, 2022
A. Segment Revenue		
Logistics business	42,989.51	43,233.25
Total revenue from operations*	42,989.51	43,233.25

45 FINANCIAL INSTRUMENTS
I. Capital management policy: -

- a) The Holding Company's capital management objectives are: -
 - to ensure the Company's ability to continue as a going concern.
 - to provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.
- b) For the purpose of Holding Company's capital management, capital includes issued share capital, equity and all other equity reserves. The Holding Company monitors capital on the basis of the carrying amount of equity as presented on the face of the statement of financial position. The Holding Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.
- c) The following table shows the components of capital:

	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Equity	8,976.67	8,143.32	8,049.52
	8,976.67	8,143.32	8,049.52

Note

1. The above capital management disclosures are based on the information provided internally to key management personnel.

II. A. Fair Values hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Fair value of financial assets and liabilities measured at amortised cost.

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values.

**Notes to the consolidated financial statements
for the year ended March 31, 2023 (Contd.)**

Other financial liabilities	860.85	-	-	860.85
	14,411.76	-	-	14,411.76

The management assessed that cash and bank balance, trade receivables, trade payables and other current financial assets and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

Notes to the consolidated financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

46 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Holding Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Holding Company continues to focus on a system-based approach to business risk management. The Holding Company's financial risk management process seeks to enable the early identification, evaluation and effective management of key risks facing the business. Backed by strong internal control systems, the current Risk Management Framework rests on policies and procedures issued by appropriate authorities; process of regular internal reviews/ audits to set appropriate risk limits and controls; monitoring of such risks and compliance confirmation for the same.

a. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: interest rate risk, foreign currency risk and price risk. The Holding Company has in place appropriate risk management policies to limit the impact of these risks on its financial performance. The Holding Company ensures optimisation of cash through fund planning and robust cash management practices.

(i) Interest rate risk

Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Financial assets and liabilities of the Holding Company are either non-interest bearing or fixed interest bearing instruments, the Holding Company's net exposure to interest risk on such instruments is negligible.

(ii) Price risk

The Holding Company has invested its funds in equity instruments of the associate. The Holding Company is not exposed to price risk.

(iii) Foreign currency risk

The Indian Rupee is the Company's most significant currency. As a consequence, the Holding Company's results are presented in Indian Rupee and exposures are managed against Indian Rupee accordingly. Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Holding Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Holding Company's operating activities (when revenue or expense is denominated in a foreign currency).

The Company does not have any exposure in foreign current as at reporting date, therefore, the Company is not exposed to foreign currency risk.

Details On Derivatives Instruments And Unhedged Foreign Currency Exposures

The year-end foreign currency exposures that have not been hedged by a derivative instrument is nil.

b. Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or contract, leading to a financial loss. The Holding Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its investing activities, including deposits with banks. Management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis.

i. Financial assets for which loss allowance is measured using life time expected credit losses

The Holding Company provides loss allowance on trade receivables using life time expected credit loss and as per simplified approach.

ii. Financial assets for which loss allowance is measured using 12 month expected credit losses

All of the Holding Company investments and loans at amortised cost are considered to have low credit risk, and the loss allowance recognised during the period was therefore limited to 12 months expected losses.

**Notes to the consolidated financial statements
for the year ended March 31, 2023 (Contd.)**

(All amounts in INR Lakhs, unless otherwise stated)

Management considers instruments to be low credit risk when they have a low risk of default and the issuer has a strong capacity to meet its contractual cash flow obligations in the near term at its own.

(i) Trade receivables

Customer credit risk is managed basis established policies of Holding Company, procedures and controls relating to customer credit risk management. Outstanding customer receivables are regularly monitored. The Holding Company does not hold collateral as security.

The Holding Company maintains exposure to Investments, cash equivalents, other bank balances, loans, trade receivables and other financial assets. The Holding Company has set counter-parties limits based on multiple factors including financial positions, credit ratings, etc.

The Holding Company's maximum exposure to credit risk as at March 31, 2023, March 31, 2022 and April 1, 2021 is the carrying value of each class of financial assets.

(a) Ageing analysis of the age of trade receivable amounts that are not due as at the end of reporting year:

Particulars	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Within credit days	1,639.23	1,616.78	1,052.56
	1,639.23	1,616.78	1,052.56

(b) Ageing analysis of the age of trade receivable amounts that are past due as at the end of reporting year but not impaired:

Particulars	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Trade receivables:			
Less than 6 months	7,140.21	6,633.74	6,192.87
6 months - 1 years	848.37	1,317.53	811.08
1 - 2 years	2,147.12	741.70	870.97
2 - 3 years	391.42	327.24	340.55
> 3 years	146.88	113.30	149.69
Total	10,674.00	9,133.51	8,365.16
Allowance for credit impairment/ Allowance for expected credit loss	1,624.80	1,427.38	1,327.43

c. Liquidity Risk

Liquidity risk is the risk that the Holding Company will encounter in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The approach of the Holding Company to manage liquidity is to ensure, as far as possible, that these will have sufficient liquidity to meet their respective liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risk damage to their reputation.

The Holding Company's objective is to provide financial resources to meet its business objectives in a timely, cost effective and reliable manner. A balance between continuity of funding and flexibility is maintained through the use of funds from parent company. The Holding Company also monitors compliance with its debt covenants. The maturity profile of the Holding Company's financial liabilities based on contractual undiscounted payments is given in the table below: -

As at March 31, 2023	0-1 Years	1-2 Years	More than 2 years	Total
Borrowings	-	1,229.40	10,008.35	11,237.75
Lease liabilities	-	2,544.37	10,614.58	13,158.95
Trade payables	2,078.48	152.51	37.60	2,268.60
Other financial liabilities	1,199.00	-	43.87	1,242.87
Total	3,277.49	3,926.28	20,704.40	27,908.17

Notes to the consolidated financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

As at March 31, 2022	0-1 Years	1-2 Years	More than 2 years	Total

Total	8,211.79	995.84	5,204.12	14,411.76

d. Capital management

For the purpose of the Holding Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Holding Company. The primary objective of the Company's capital management is to ensure that it maintains an efficient capital structure and healthy capital ratios in order to support its business and maximise shareholder value.

The Holding Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Holding Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total equity. The Holding Company's policy is to keep optimum gearing ratio. The Holding Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents (including other bank balances).

Particulars	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Gross Debt	11,237.75	11,544.76	10,654.17
Less: cash and cash equivalents	239.00	517.55	575.72
Net debt	10,998.75	11,027.21	10,078.45
Equity	1,177.53	1,177.53	1,177.53
Other equity	7,799.14	6,965.79	6,871.99
Total equity	8,976.67	8,143.32	8,049.52
Gearing ratio (%)	122.53%	135.41%	125.21%

In order to achieve this overall objective, the Holding Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements.

**Notes to the consolidated financial statements
for the year ended March 31, 2023 (Contd.)**

(All amounts in INR Lakhs, unless otherwise stated)

47 DISCLOSURES PURSUANT TO INDIAN ACCOUNTING STANDARD (IND AS) 19 “EMPLOYEE BENEFITS”
a) Defined contribution plans:

The Holding Company makes Provident Fund, Employee State Insurance Scheme contributions which are defined contribution plans, for qualifying employees. Under the schemes, the Company incorporated in India is required to contribute a specified percentage of the payroll costs to fund the benefits. The Holding Company recognised INR 72.21 Lakhs year ended March 31, 2023 and INR 70.36 Lakhs year ended March 31, 2022 for Provident Fund contributions and INR 16.53 Lakhs year ended March 31, 2023 and INR 16.08 Lakhs year ended March 31, 2022 for Employee State Insurance Scheme contributions in the Statement of Profit and Loss. The contributions payable to these plans by the Company are at rates specified in the rules of the schemes.

b) Defined benefit plans:

The present value obligation is determined based on actuarial valuation using the projected unit credit method to assess the Plan's liabilities, including those related to death-in-service and incapacity benefits. Under the PUC method a “projected accrued benefit” is calculated at the beginning of the year and again at the end of the year for each benefit that will accrue for all active members of the Plan. The “projected accrued benefit” is based on the Plan's accrual formula and upon service as of the beginning or end of the year, but using a member's final compensation, projected to the age at which the employee is assumed to leave active service. The plan liability is the actuarial present value of the “projected accrued benefits” as of the beginning of the year for active members.

Recognition of re-measurement items

Re-measurements arising from defined benefit plans comprise actuarial gains and losses on benefit obligations, the return on plan assets in excess of what has been estimated and the effect of asset ceiling, if any, in case of over funded plans. The Holding Company recognises these items of re-measurements immediately in other comprehensive income and all the other expenses related to defined benefit plans in employee benefit expenses in profit and loss account.

48 LEASES

First time adoption of Ind AS 116- Leases

Effective April 1, 2021 the Holding Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on April 1, 2021 using the modified retrospective method. Right-of-use of assets (ROU) are measured at cost comprising the amount of the initial measurement of lease liability, any lease payments made at or before the commencement date and any initial direct costs less any lease incentives received. Lease liabilities were recognised based on the present value of the remaining lease payments, discounted using the incremental borrowing rate at the date of initial application.

The weighted average incremental borrowing rate applied to lease liabilities as at April 1, 2021 is 10%.

As lessee

(i) The Holding Company has entered into various lease agreements for warehousing and logistics. Such lease contracts include monthly fixed payments for rentals. The lease contracts are generally cancellable at the option of lessee during the lease tenure after the completion of non-cancellable period. There are no significant restrictions imposed under the lease contracts. The following table presents the reconciliation of changes in the carrying value of Right-of-use assets (ROU) and lease liability for the year ended March 31, 2023 and March 31, 2022.

(ii) Change in the carrying value of right-of-use assets

	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Opening balance	15,639.24	453.62	-
Addition on first time application of Ind AS 116	-	-	453.62
Addition during the year	-	16,354.72	-
Depreciation expense recognised in statement of profit and loss	(2,761.55)	(1,169.09)	-
Closing balance	12,877.70	15,639.24	453.62

(iii) Changes in the lease liabilities

	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Opening balance	17,181.13	1,204.30	-
Addition on first time application of Ind AS 116	-	-	1,204.30
Addition during the year	-	16,354.72	-
Interest accrued during the year	1,609.26	785.28	-
Payment of lease liabilities	(3,467.90)	(1,163.17)	-
Closing balance	15,322.48	17,181.13	1,204.30

The following is the break-up of current and non-current lease liabilities:-

	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Non-current	13,158.95	15,322.85	1,181.19
Current	2,163.53	1,858.27	23.11

(iv) Amounts recognised in statement of profit and loss account

	For the year ended March 31, 2023	For the year ended March 31, 2022
Short term leases	30,984.66	35,783.45
Interest expense on lease liabilities	1,609.26	785.28

**Notes to the consolidated financial statements
for the year ended March 31, 2023 (Contd.)**

(All amounts in INR Lakhs, unless otherwise stated)

(vi) Amounts recognised in statement of cash flows

	For the year ended March 31, 2023	For the year ended March 31, 2022
Total cash outflow for leases other than short term and low value leases	(3,467.90)	(1,163.17)

(vii) Maturity analysis of lease liability

Particulars	Upto 1 year	1-5 years	More than 5 years	Total Undiscounted cash flow
As at March 31, 2023	3,569.16	15,126.56	983.53	19,679.25
As at March 31, 2022	3,466.19	15,853.59	3,825.65	23,145.43
As at April 01, 2021	135.13	629.50	1,370.32	2,134.95

As lessor

 (i) **Operating leases**

The Holding Company during the year has leased out surplus capacity in leased assets and the total rent recognised as income during the year INR 14.04 Lakhs (March 31, 2022: INR 13.07 Lakhs) on such sub-leases.

Maturity analysis on lease payments receivable: -

	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Upto 1 year	14.04	14.04	13.07
1-5 years	4.94	18.98	33.02
More than 5 years	-	-	-

The Holding Company has also recognised deferred lease income amounting to INR 0.36 Lakhs (March 31, 2022 INR 0.67 Lakhs and April 01, 2021 INR nil) on account of escalation clause in the lease arrangement.

 (ii) **Finance leases**

Amounts recognised for Finance Lease in statement of profit and loss

	As at March 31, 2023	As at March 31, 2022	As at April 01, 2021
Finance income on the net investment in the lease	90.96	94.85	-

49 DISCLOSURE AS PER IND AS 115 REVENUE FROM CONTRACTS WITH CUSTOMERS
A. Disaggregation of revenue

Set out below is the disaggregation of the Holding Company's revenue from contracts with customers into operating segment and type of product or services

Type of product or services	For the year ended March 31, 2023			
	Revenue as per Ind AS 115			Total as per Statement of Profit and Loss
	Domestic	Foreign	Total	
Logistics and warehousing	42,710.82	-	42,710.82	42,710.82
Total	42,710.82	-	42,710.82	42,710.82

Notes to the consolidated financial statements for the year ended March 31, 2023 (Contd.)

(All amounts in INR Lakhs, unless otherwise stated)

The revenue of INR 42,710.82 Lakhs is recognised at point in time.

Type of product or services	For the year ended 31 March 31, 2022			
	Revenue as per Ind AS 115			Total as per Statement of Profit and Loss
	Domestic	Foreign	Total	
Logistics and warehousing	43,164.50	-	43,164.50	43,164.50
Total	43,164.50	-	43,164.50	43,164.50

The revenue of INR 43,164.50 Lakhs is recognised at point in time.

B. Contract balances

Particulars	March 31, 2023	March 31, 2022	April 01, 2021
Contract asset	1,639.23	1,616.78	1,052.56
Contract liability	265.73	69.09	108.54

- i) A contract asset is the right to consideration in exchange for services transferred to the customer. If the Holding Company performs by transferring services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Movement in contract balances during the period

Particulars	March 31, 2023	March 31, 2022	April 01, 2021
Contract asset at the beginning of the year	1,616.78	1,052.56	-
Contract asset at the end of the year	1,639.23	1,616.78	1,052.56
Net increase/(decrease)	22.46	564.21	1,052.56

- ii) A contract liability is the obligation to transfer services to a customer for which the Holding Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Holding Company performs under the contract.

Particulars	March 31, 2023	March 31, 2022	April 01, 2021
Contract liabilities at the beginning of the year	69.09	108.54	-
Contract liabilities at the end of the year	265.73	69.09	108.54
Net increase/(decrease)	196.64	(39.45)	108.54

C. Set out below is the amount of revenue recognised from:

Particulars	March 31, 2023	March 31, 2022
Amount included in contract liabilities at the beginning of the period	69.09	108.54
Performance obligation satisfied in previous period	-	-

D. Cost to obtain the contract

The Holding Company has not incurred any incremental costs of obtaining contracts with a customer and therefore, not recognised an asset for such costs.

**Notes to the consolidated financial statements
for the year ended March 31, 2023 (Contd.)**

(All amounts in INR Lakhs, unless otherwise stated)

- 50 (a) The ageing schedule of capital work-in progress for the year ended as at March 31, 2023, March 31, 2022 and April 01, 2021 is as follows: -

CWIP	Amount in CWIP for period of				Total
	Less than 1 year	1-2 years	2-3 years	More than 3 years	
As at March 31, 2023					
Project in progress	209.76	-	-	-	209.76
Projects temporarily suspended	-	-	-	-	-
As at March 31, 2022					
Project in progress	4.67	-	-	-	4.67
Projects temporarily suspended	-	-	-	-	-
As at April 01, 2021					
Project in progress	222.19	-	-	-	222.19
Projects temporarily suspended	-	-	-	-	-

- (b) Completion schedule for capital work-in progress whose completion is overdue or has exceeded its cost compared to its original plan:

CWIP	To be completed in				Total
	Less than 1 year	1-2 years	2-3 years	More than 3 years	
As at March 31, 2023					
Project in progress	209.76	-	-	-	209.76
Projects temporarily suspended	-	-	-	-	-
As at March 31, 2022					
Project in progress	4.67	-	-	-	4.67
Projects temporarily suspended	-	-	-	-	-
As at April 01, 2021					
Project in progress	222.19	-	-	-	222.19
Projects temporarily suspended	-	-	-	-	-

53 RELATED PARTIES DISCLOSURES:

In accordance with the requirement of Ind AS- 24 on "Related Party Disclosures" the names of the related parties where control exists along with the aggregate transactions/year end balances with them as identified and certified by the management are given below:

A) Name of related parties and description of relationship:
Associate

 NDRAVG Business Park Private Limited
 NDR AVG Logistics LLP

Enterprises over which the key management personnel exercise significant influence and/or control

Directors are partner of the firm	MA Enterprises
Director has control	PCG Logistics Private Limited
Director is partner of the Limited liability partnership	NDR AVG Logistics LLP
Director is partner of the Partnership firm	Maple Packaging and Logistics

Key management personnel (KMP)

Managing Director	Sanjay Gupta
Women Director	Asha Gupta (wife of Sanjay Gupta)
Chief Financial Officer	Gurpreet Singh (till May 31, 2023)
Chief Operating Officer	Nagendra Kumar Sharma
Director Sales & Operations	Arun Kohli (From July 16, 2022 to December 31, 2022)
Company Secretary	Laveena Jain (till October 12, 2021)
Company Secretary	Mukesh Nagar (with effect from December 10, 2021)

Relative of key management person (KMP)

Son of Sanjay Gupta and Asha Gupta	Vinayak Gupta
Wife of Vinayak Gupta	Anjali Gupta

Note:

- 1) Related party relationship is as identified by the Holding Company and relied upon by the auditors.
- 2) All related party transactions entered during the year were in ordinary course of the business and on arm's length basis.

Notes to the consolidated financial statements for the year ended March 31, 2023 (Contd.)

Remote e-Voting Instructions for shareholders:

As per the SEBI circular dated December 09, 2020, individual shareholders holding securities in demat mode can register directly with the depository or will have the option of accessing various ESP portals directly from their demat accounts.

Login method for Individual shareholders holding securities in demat mode is given below:

1. Individual Shareholders holding securities in demat mode with NSDL
 1. Existing IDeAS user can visit the e-Services website of NSDL viz. <https://eservices.nsd.com> either on a personal computer or on a mobile. On the e-Services home page click on the "Beneficial Owner" icon under "Login" which is available under 'IDeAS' section, this will prompt you to enter your existing User ID and Password. After successful authentication, you will be able to see e-Voting services under Value added services. Click on "Access to e-Voting" under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider name i.e. LINKINTIME and you will be redirected to "InstaVote" website for casting your vote during the remote e-Voting period.
 2. If you are not registered for IDeAS e-Services, option to register is available at <https://eservices.nsd.com> Select «Register Online for IDeAS Portal" or click at <https://eservices.nsd.com/SecureWeb/IdeasDirectReg.jsp>
 3. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://eservices.nsd.com> either on a personal computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon «Login» which is available under «Shareholder/Member» section. A new screen will open. You will have to enter your User ID (i.e. your sixteen-digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site
2. Individual Shareholders holding securities in demat mode with CDSL
 1. Existing users who have opted for Easi / Easiest, can login through their user id and password. Option will be made available to reach e-Voting page without any further authentication. The URL for users to login to Easi / Easiest are <https://web.cdslindia.com/myeasi/home/login> or www.cdslindia.com and click on New System Myeasi.
 2. After successful login of Easi/Easiest the user will be able to see the E Voting Menu. The Menu will have links of e-Voting service provider i.e. LINKINTIME. Click on LINKINTIME and you will be redirected to "InstaVote" website for casting your vote during the remote e-Voting period.
 3. If the user is not registered for Easi/Easiest, option to register is available at <https://web.cdslindia.com/myeasi/Registration/EasiRegistration>.
 4. Alternatively, the user can directly access e-Voting page by providing demat account number and PAN No. from a link in www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the demat Account. After successful authentication, user will be provided links for the respective ESP i.e. LINKINTIME. Click on LINKINTIME and you will be redirected to "InstaVote" website for casting your vote during the remote e-Voting period.
3. Individual Shareholders (holding securities in demat mode) login through their depository participants You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. Upon logging in, you will be able to see e-Voting option. Click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider name i.e. LINKINTIME and you will be redirected to "InstaVote" website for casting your vote during the remote e-Voting period.
