AVG Logistics' Strategic Collaboration with BEM in LNG-Powered Logistics

Mumbai – January 16, 2024:– AVG Logistics Limited, a leading multimodal logistics solutions provider, is pleased to announce landmark collaboration with Blue Energy Motors (BEM), India's only LNG truck manufacturers.

The Company is excited to announce a collaboration between AVG Logistics and BEM, representing a significant leap towards a more sustainable and eco-friendly future in the transportation industry. This landmark collaboration is formalized through a strategic Transportation as a Service (TAAS) Agreement, wherein AVG Logistics and BEM join forces to integrate LNG-powered vehicles. The collaboration underscores a shared commitment to advancing sustainable transportation practices and fostering a greener future.

Commenting on the collaboration, Mr. Sanjay Gupta Managing Director & CEO, AVG Logistics Limited said, “We are excited to announce a significant collaboration between AVG Logistics and BEM. This partnership underscores our joint commitment for making transportation more environment-friendly and contributing to a sustainable future. The decision to adopt LNG-powered vehicles reflects our dedication to reducing carbon emissions and embracing innovative logistics solutions. This initiative demonstrates our proactive stance in addressing environmental challenges, highlighting AVG Logistics and BEM as responsible leaders in the industry.”

Commenting on the collaboration, Mr. Nitin Chamaria CFO, Blue Energy Motors Private Limited said, “We are extremely delighted and privileged to join hands with AVG Logistics. By leveraging the strengths of both companies, we aspire to establish new benchmarks in eco-friendly logistics, playing a part in the global shift towards cleaner and more sustainable supply chain practices. Our collaborative efforts signify a meaningful stride towards a cleaner, greener world, where businesses play a crucial role in shaping a more sustainable and resilient future.”
