Passenger on IndiGo flight held for hoax bomb info

An IndiGo flight from Nagpur to Kolkata with 187 passengers on board was forced to make an emergency landing at the Raipur airport on Thursday morning after one of the passengers told the crew there was a "bomb" on the aircraft, officials said.

After landing at the airport in Chhattisgarh, the aeroplane was thoroughly checked by security personnel, but nothing suspicious was found. The passenger who gave false information about the presence of a "bomb" on the aircraft was later arrested, they said.

The flight 6E-812 landed at the Swami Vivekananda Airport in Raipur sometime after 9 am following the passenger's claim, said Raipur Senior Superintendent of Police (SSP) Santosh Singh.

According to preliminary information, a passenger, identified as Animesh Mandal, told aircraft crew members about the presence of a "bomb" in the flight when it was mid-air, he said.

The Air Traffic Control was immediately informed and the flight was diverted to Raipur. Upon landing, the aircraft was immediately taken to the isolation bay for mandatory security checks, the police official said.

A police team along with a bomb detection and disposal squad reached the airport. All passengers were deboarded and the aircraft and luggage in it were thoroughly checked by CISF and Raipur police personnel, he said.
